SERVICES REVIEW BOARD

Re: Project #15-017 Advocate Condell Ambulatory Surgery Center (the "Project")

Dear Ms. Avery:

We are providing notice of a permit alteration to Project No. 15-017, Advocate Condell Surgery Center. We do not believe these changes to be alterations requiring Board approval, but nevertheless wish to provide you with ongoing notice in accordance with Section 1130.750(c) of the Review Board rules.

The Review Board approved our project for a new ambulatory surgical treatment center on June 2, 2015. In that application the ownership structure for Advocate Condell Ambulatory Surgery Center, LLC is shown as being owned 51% by Advocate SCA Partners, LLC and 49% by individual physicians. The physicians were not necessary co-applicants for the project.

The change that we wish to note is that the physician owners now wish to own their interest through two limited liability companies, Neuro II, LLC and CASC, LLC, instead of individually. There is no change from the original application in that no physician will own 5% or more, directly or indirectly, of the facility. We understand that under the Board's rules this change does not make the physician owners a necessary co-applicant. The organizational chart from the original application is attached. There is no change except the box marked "Individual Physician Members" will be the physicians limited liability companies Neuro II, LLC and CASC, LLC.

We remain committed to keeping the Review Board and State Agency informed of the status of the Project. Please let me know if there are any questions on this material or additional requirements we need to address. Thank you for your assistance.

Please contact me at 312-489-9500 or Sonja Reece at 309-268-5482 if you have any questions about this notice.

Sincerely,

Sara Sortal
