Ms. Avery,

This is our notice of project completion and "final cost report" for the above referenced permit. As this project was a discontinuation of the pediatric bed category, and there were not any costs associated with this project. The pediatric beds were discontinued effectively on the day of the permit issuance (June 2, 2015).

There were no patients on the unit as of the day of the discontinuation. Therefore, the hospital considers the project as referenced above complete as of this time.

Please feel free to contact me or Ms. Clare Renalli, our legal counsel, at 312-984-3365 with any questions or concerns.

Thank you for your help in resolving this matter.

Sincerely,

M. Edward Cunningham, CEO
