Re: Extension of Review Period for Project #16-002

Dear Mr. Sheets:

Project #16-002 has been extended by the State Board in order to address the following issues.

We need the following information:

1. We need a copy of the real estate option agreement.
2. We need the terms and condition of the lease.
3. We need the names of all of the members no matter their ownership interest in the following entities.
 1. On Pointe Health Development, LLC.
 2. Lockwood Investments, LLC.
 3. Innovative Health, LLC.
 4. IHOP JV, LLC
 5. IH Fox Valley OpCo, LLC
 6. IH Fox Valley Owner, LLC

Once this information has been reviewed we will determine who will be co-applicants to this application. Once the co-applicants have been determined we will need the following:

- an additional page one of the application for permit,
 - signature page
 - a certificate of good standing
 - financial information for each co-applicant and the ratios.
4. Currently you have listed as applicants IH Fox Valley OpCo, LLC, and IH Fox Valley Owner, LLC we need the financial ratio and financial information for each individual entity.
 5. We need an explanation of the role Transitional Care Management will have in the proposed new entity. The explanation needs to include the type of entity Transitional Care Management is. If it is an LLC we need to know all of the members name and their ownership interest.
 6. The rules require that all facilities within forty five (45) minutes be identified. Your application only identifies facilities within thirty (30) minutes. We need all facilities within forty five (45) minutes of the proposed facility.

7. The applicants have no history with the State Board in securing HUD mortgage insurance we are going to need a letter from a bank or lending institution stating that *"if the application for permit is granted the mortgage loan will be made."*

This project has been tentatively scheduled for the May 2016 State Board Meeting.

If you should have any questions please contact Mike Constantino or George Roate at 217.782.3516 or Mike.Constantino@illinois.gov or George.Roate@illinois.gov

Sincerely,

ARTICLE 3

CONDITIONS PRECEDENT; INSPECTION AND TITLE; GOVERNMENTAL APPROVALS

3.1 **Buyer's Inspections, Tests and Studies.** During the Inspection Period, Buyer shall have the right to perform and complete, at its sole expense, its due diligence review, examination and inspection of all matters pertaining to its acquisition of the Property, including the Property Information (defined below) and all financial, physical, environmental and compliance matters, entitlements and other conditions respecting the Property. Buyer shall at all times conduct such due diligence in compliance with applicable laws, and in a manner so as to not cause any damage, loss, cost or expense to Seller or the Property. Buyer shall promptly restore the Property to its condition immediately preceding such inspections and examinations and shall keep the Property free and clear of any mechanic's liens or materialmen's liens in connection with such inspections and investigations. Buyer is expressly authorized to contact any condominium/townhome/owner's association regime affected by the Property or any governmental authority having jurisdiction over the Property. Buyer shall conduct its investigations, reviews and examinations of the Property solely during business hours and upon at least twenty-four (24) hours prior written or telephonic notice to Seller, and Seller shall have the right, at its option, to cause a representative of Seller to be present at all inspections, reviews and examinations and at all meetings or discussions with any condominium/townhome/owner's association or any governmental agency. Any intrusive physical testing (environmental, structural or otherwise) at the Property (such as soil borings or the like) shall be conducted by Buyer only after obtaining Seller's prior written consent to such testing, which consent shall not be unreasonably withheld, delayed or conditioned. Buyer's obligations under this Section shall not merge into the Deed and will survive the Closing or the earlier termination of this Agreement.

3.1.1 **Insurance** Buyer shall (or cause its contractors/consultants to), at its sole expense, keep and maintain a policy of commercial general liability insurance with a contractual liability endorsement that covers Buyer's indemnity obligation set forth in Section 3.1.2 below if it conducts any intensive physical testing at the Property. This insurance policy shall name Seller and its agents as additional insureds and afford protection in limits of not less than Two Million Dollars (\$2,000,000) for bodily injury or death in any one accident, and not less than Two Million Dollars (\$2,000,000) for property damage. All insurance shall be effected under standard form policies, issued by insurers of recognized responsibility authorized to do business in the state in which the Property is located. Prior to any entry by Buyer or its agents onto the Real Property for the purpose of conducting such intensive physical tests or studies, Buyer shall deliver to Seller certificates of such insurance coverage and, if such insurance is scheduled to expire prior to the estimated date of Closing, not less than ten (10) days before the expiration of the policy, a certificate of the renewal of such coverage.

3.1.2 Indemnification. Buyer shall indemnify, defend, protect and hold Seller, its partners, officers, directors, members, shareholders, employees, agents, lenders, contractors and each of their respective successors and assigns (collectively, including Seller, the "**Seller Indemnified Parties**") harmless from and against any and all liens, claims, losses, liabilities, damages, costs, expenses, causes of action and expenses (including reasonable attorneys' fees and court costs) (collectively, "**Losses**") which any of the Seller Indemnified Parties may suffer or sustain arising directly out of Buyer's inspections, tests and/or studies of the Property. Notwithstanding anything to the contrary contained in this Agreement, Buyer's indemnification obligations as set forth herein shall not apply to any Losses as a result of a condition existing at the Property prior to any entry by Buyer onto the Property, except to the extent such pre-existing condition was knowingly worsened (and not merely revealed) by any act of Buyer, its agents or contractors. Buyer's obligations under this Section shall not merge into the Deed and will survive the Closing or the earlier termination of this Agreement.

3.1.3 Right of Termination during Inspection Period. If, during the Inspection Period, Buyer determines that it is dissatisfied, for any reason or for no reason, with any aspects of the Property, and/or its condition or suitability for Buyer's intended use, then Buyer may terminate this Agreement by delivering written notice to Seller on or before the expiration of the Inspection Period of Buyer's election to terminate, in which event this Agreement shall terminate and thereafter neither party shall have any further rights or obligations hereunder, except the Surviving Obligations. If Buyer fails to deliver any such written termination notice to Seller on or before the expiration of the Inspection Period, then Buyer shall be deemed to have waived its right to terminate this Agreement pursuant to this Section 3.1.3 and Fifteen Thousand and 00/100 Dollars (\$15,000.00) of the Purchase Price shall be non-refundable to Buyer (but shall be credited to the Purchase Price in the event that the transaction contemplated hereunder proceeds to Closing), in all events except as otherwise expressly provided in this Agreement.

3.2 Document Review; Assumption of Contracts; Development.

3.2.1 Documents. Seller will deliver to Buyer within five (5) business days following the Effective Date any documents listed on attached and incorporated Exhibit C (the "**Property Information**"), to the extent in Seller's possession.

3.2.1 Proprietary Information. Buyer and Seller each acknowledge and agree that some of the Property Information or development planning information disclosed by one party to the other is proprietary and confidential in nature and has been or will be made available solely for purposes of the transaction contemplated by this Agreement.

3.3 Title and Survey.

3.3.1 Title. Seller has previously delivered to Buyer (i) a preliminary title report (the "**PTR**") for the Real Property issued by the Title Company; and (ii) a hyperlink to all documents ("**Title Documents**") describing all title exceptions shown on the PTR. Seller shall be responsible, as its sole cost and expense, for the issuance by the Title Company to Buyer of an ALTA Extended Coverage Owner's Policy of Title Insurance, subject to Buyer's completion of an ALTA Statement or such similar documentation that Title Company shall require from Buyer (the "**Title Policy**") and delivery of the Updated Survey (hereinafter defined). If Buyer fails to so complete such required ALTA Statement or other similar documentation or to deliver the Updated Survey, then the Title Policy shall not include Extended Coverage. Buyer agrees to accept title to the Property subject to: (i) then-current real property taxes, not delinquent (excluding any bonds and assessments, which Seller shall at its cost cause to be paid in full at or prior to Closing); (ii) any exception to, or condition of, title arising from a document recorded by or with the written permission of Buyer or arising from a document recorded by, or the actions of, Buyer or any person or entity whose claim arises with the written permission of or as a result of the actions of Buyer (including

but not limited to a mechanic's lien or a right to claim a mechanic's lien); and (iii) other matters agreed to by Buyer pursuant to this Section (collectively, the "**Permitted Exceptions**").

3.3.2 Survey. Seller, at its sole cost and expense, will deliver to Buyer a copy of its most recent ALTA/ACSM Land Title Survey for the Property prepared by MeritCorp. (the "**Survey**"). Buyer shall, prior to the Closing, deliver to Seller an updated copy of the Survey in both hard and electronic copy certified to Buyer and Title Company (the "**Updated Survey**").

3.3.3 Objections.

(a) If: (A) the PTR discloses any other Schedule B matters other than the Permitted Exceptions which Buyer takes issue with; or (B) the Survey or Updated Survey depict any matters which adversely affect the access to or from the Real Property, or the use or operation of the Real Property or any other matters which Buyer takes issue with, Buyer shall have until the sixtieth (60th) day following the Effective Date in order to object in writing to Seller as to any such matters (the "**Unpermitted Exceptions**"). Seller shall have fifteen (15) days (the "**Cure Period**") after receipt of Buyer's notice, to eliminate or satisfy the Unpermitted Exceptions to the reasonable satisfaction of Buyer, or elect to not so eliminate or satisfy the same. If Seller fails, or elects not, to have the Unpermitted Exceptions removed within the Cure Period, Buyer may elect to either: (1) terminate this Agreement; or (2) waive the Unpermitted Exceptions and accept title to the Property subject to the Unpermitted Exceptions (in which event such exceptions shall be deemed a "**Permitted Exception**"). In the event that on or before the expiration of the Inspection Period, Buyer has failed to elect, in writing, either option under subparagraphs (1) and (2) above, then Buyer shall be conclusively deemed to have elected to waive the Unpermitted Exceptions and close under subparagraph (2) above. If Buyer timely elects to terminate this Agreement, this Agreement shall become null and void, the Deposit shall be returned to the Buyer and neither party having any further rights or liabilities pursuant to this Agreement, except the Surviving Obligations.

3.3.4 New Title Objections. If any additional exceptions to title or survey are disclosed after the issuance of the initial PTR ("**New Title Objections**"), the parties shall address the New Title Objections in the same manner provided in Section 3.3.3 but subject to the times frames as set forth in this Section so that if Buyer disapproves any of the New Title Objections, Seller shall have ten (10) days to notify Buyer in writing of its inability or unwillingness to remove such exceptions. If Seller does not provide such written notice, Seller shall be obligated to cause such matter to be removed prior to the Closing Date. In the event Seller shall so notify Buyer within said period, Buyer, by written notice to Seller no later than ten (10) business days thereafter, may do one of the following: (i) terminate this Agreement, in which event, the Deposit will be returned to Buyer, and neither party will have any further liabilities or obligations pursuant to this Agreement, except the Surviving Obligations; or (ii) waive such exceptions and proceed with the transaction contemplated herein. Closing may be extended by either party if necessary to allow for the parties to benefit from the full time frames set forth in this Section. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, Seller hereby covenants to remove, and shall be obligated to remove, any deeds of trust covering the Property which secure any financing, and shall either remove or cause the Title Company to affirmatively insure over in a manner satisfactory to Buyer: (i) any mechanic's or materialmen's liens against the Property unless and to the extent of work done by or on behalf of Buyer; (ii) any tax or judgment liens against Seller and the Property; and (iii) any other New Title Objection which is capable of being removed by payment of money in a sum certain, none of which shall be Permitted Exceptions.

3.4 Governmental Approvals.

3.4.1 Governmental Approvals Condition. Buyer shall have until the date that is six (6) months following the expiration of the Inspection Period (the “**Approvals Expiration Date**”) to secure all zoning and entitlement approvals from the City or any other agency with jurisdiction required or necessary (as reasonably determined by Buyer) (the “**Zoning Approvals**”) for Buyer’s planned development and use of the Land as an approximately 50,000 square foot skilled nursing and transitional care center (the “**Project**”) and to obtain a certificate of need with respect to the Project (“**CON**”) from the Health Facilities and Services Review Board (the “**Review Board**”) pursuant to the Illinois Health Facilities Planning Act (20 ILCS 3960) (collectively, the “**Approvals Condition**”). Buyer shall apply for the Zoning Approvals and CON promptly after the expiration of the Inspection Period and shall use diligent, good faith efforts to satisfy the Approvals Condition as soon as is commercially reasonable thereafter. Buyer agrees to provide Seller with updates regarding Buyer’s timeline and progress toward satisfying the Approvals Condition promptly after Seller’s request therefor (which request may be made by telephone or email at the telephone numbers and email addresses set forth in Section 1.1 above), which updates shall be provided by Buyer to Seller in good faith. Buyer shall concurrently deliver to Seller copies of all documents submitted to the City in connection with the Zoning Approvals and to the Zoning Board in connection with the CON. Buyer shall also notify Seller in writing within five (5) business days after receipt of the Zoning Approvals or receipt of notification that the City has denied Buyer’s request for the Zoning Approvals and also within five (5) business days after the receipt of the CON or receipt of notification that the Review Board has denied Buyer’s request for the CON. If, despite using its diligent, good faith efforts, the Approvals Condition is not satisfied on or before the Approvals Expiration Date, subject to automatic day for day extensions due to Procedural Delays (as defined below), then Buyer may terminate this Agreement by delivering written notice to Seller on or before the Approvals Expiration Date of Buyer’s election to terminate this Agreement pursuant to this Section 3.4.1, time being of the essence. Seller and Buyer acknowledge that securing the Zoning Approvals and CON will require the cooperation of the City, any other agency with jurisdiction, and the Review Board. In recognition of the potential for third party delays, the parties hereto desire to define “**Procedural Delays**,” which for purposes hereof, shall mean delays in securing the Zoning Approvals and CON solely due to the actions or failures to act, without the interference of Buyer, of the City and Review Board in addressing the requests of Buyer. Notwithstanding anything to the contrary contained herein, in no event will the Approvals Expiration Date be extended by more than ninety (90) days for Procedural Delays (the “**Outside Termination Date**”). For the avoidance of doubt, if Buyer is diligently pursuing the Approvals Condition and the Project is under active review by the Review Board, the Approvals Expiration Date shall be automatically extended for the duration of the applicable Procedural Delays to a date not to exceed the Outside Termination Date. Buyer shall promptly advise Seller in writing of each occurrence of Procedural Delays. Notwithstanding anything to the contrary contained herein, if the City issues a final denial of Buyer’s application for the Zoning Approvals or the Review Board issues a final denial Buyer’s application for the CON, then Buyer shall have until the date that is ten (10) business days after Buyer is notified of such final denial to terminate this Agreement by delivering written notice to Seller of such termination. If Buyer fails to so terminate this Agreement, then Buyer shall be deemed to have elected to waive the Approvals Condition and its termination right hereunder with respect to the final denial of the Zoning Approvals and/or CON, as applicable. If this Agreement is terminated pursuant to this Section 3.4.1, then the Deposit, less (i) Fifteen Thousand and 00/100 Dollars (\$15,000.00) if the termination occurs on or prior to the initial Approvals Expiration Date, and (ii) Thirty Thousand and 00/100 Dollars (\$30,000.00) if the termination occurs after the Approvals Expiration Date is extended for Procedural Delays and the Approvals Condition is not satisfied prior to the Outside Termination Date, which applicable amount Escrow Holder shall be promptly disburse to Seller, shall be returned to Buyer, and all further rights and obligations of the parties shall cease and terminate without any further liability of either party to the other, except the Surviving Obligations. If Buyer fails to deliver written termination notice to Seller as permitted hereunder on or before the Approvals Expiration Date, as the same may be extended for Procedural Delays, then Buyer shall be deemed to have

waived its right to terminate this Agreement pursuant to this Section 3.4.1 and the Deposit shall be non-refundable to Buyer (but shall be credited to the Purchase Price in the event that the transaction contemplated hereunder proceeds to Closing) in all events except as otherwise expressly provided in this Agreement. Buyer shall indemnify, defend, protect and hold the Seller Indemnified Parties harmless from and against any and all Losses which any of the Seller Indemnified Parties may suffer or sustain in any manner arising out of or in connection with Buyer's application for and pursuit of the Zoning Approvals and CON.

ESCROW AND CLOSING

4.1 Closing.

4.1. **Generally.** The Closing shall occur through an escrow (the "**Escrow**") with Escrow Holder on the Closing Date. The Closing shall be a so called "GAP" closing in which the documents and monies are disbursed with the recordable documents being recorded after such disbursement. The parties agree that Closing may be set up so that the parties and their respective attorneys, or any of them, need not be physically present and may deliver all necessary documents by overnight mail or other means.

4.2 **Seller's Deliveries.** On or prior to the Closing Date, Seller shall deliver to Escrow Holder the following, as applicable:

4.2.1 A Special Warranty Deed in the form set forth on attached and incorporated **Exhibit E** (the "**Deed**"), duly executed and acknowledged by Seller, conveying title to the Property, as applicable, to Buyer subject only to the Permitted Exceptions;

4.2.2 Two (2) counterpart originals of a General Assignment in the form set forth on attached and incorporated **Exhibit F** (the "**General Assignment**"), executed by Seller;

4.2.3 An original of a "FIRPTA" certificate, in customary form, duly executed by all entities comprising Seller;

4.2.4 The Assignment of Rights under Declaration (as described in Section 9.14); and

4.2.5 Such other documents as may be reasonably required by this Agreement, Escrow Holder or Title Company including, without limitation, a customary form of ALTA Statement and Affidavit of Title.

4.3 **Buyer's Deliveries.** On or prior to the Closing Date, Buyer shall deliver to Escrow Holder the following, as applicable:

4.3.1 The Purchase Price (less the Deposit), plus all net prorations, closing costs and other funds required to be paid or provided by Buyer under this Agreement;

4.3.2 Two (2) counterpart originals of the General Assignment, duly executed by Buyer; and

4.3.3 Such other documents as may be reasonably required by this Agreement, Escrow Holder or Title Company.

4.4 **Prorations.** The following items shall be prorated between Seller and Buyer at the Closing by increasing or decreasing, as the case may be, the funds to be delivered by Buyer at the Closing, with all items pertaining to the month of Closing to be prorated based on the actual number of days in the month in which the Closing occurs. Except as otherwise set forth herein, the following items shall be prorated as of 12:01AM on the Closing Date, with the Closing Date being an income and expense day for Seller.

4.4.1 General real estate and personal property taxes and other state, county, city or similar taxes, charges and assessments, not yet due and payable (collectively, the "Taxes"), shall be prorated based upon 105% of the most recent assessed value, tax rate and multiplier. All charges under the Contracts which Buyer elects or is deemed to have elected to assume pursuant to this Agreement shall be prorated, and as to each service provider, operating expenses payable or paid to such service provider in respect to the billing period of such service provider in which the Closing occurs (the "**Current Billing Period**"), shall be prorated on a per diem basis based upon the number of days in the Current Billing Period prior to the date of the Closing (which shall be allocated to Seller) and the number of days in the Current Billing Period from and including the Closing Date (which shall be allocated to Buyer), and assuming that all charges are incurred uniformly during the Current Billing Period. If actual bills for the Current Billing Period are unavailable as of the date of the Closing, then such proration shall be made on an estimated basis based upon the most recently issued bills.

4.4.2 Seller and Buyer agree that: (i) none of the insurance policies relating to the Property will be assigned to Buyer and Buyer shall be responsible for arranging for its own insurance as of the Closing Date; and (ii) utilities, including telephone, electricity, water and gas, shall be read on the Closing Date and Buyer shall be responsible for all the necessary actions needed to arrange for utilities to be transferred to the name of Buyer on the Closing Date, including the posting of any required deposits (it being understood, however, that Seller shall be entitled to a credit at Closing for any utility deposits which it or its predecessors have made prior to the Closing Date, to the extent the same are transferred to Buyer, and Seller shall be entitled to recover and retain from the providers of such utilities any refunds or overpayments to the extent applicable to the period prior to and including the Closing Date, and any utility deposits for which it does not receive a credit hereunder). Accordingly, there will be no prorations for insurance or utilities (except to the extent provided above for utility deposits). In the event a meter reading is unavailable for any particular utility, such utility shall be prorated in the manner provided in Section 4.4.3.

4.4.3 Seller and Buyer shall prorate any other items of income and expenses necessary to effectuate the intent of the parties that all income and expense items be prorated as provided above in this Section 4.4. All provisions for pro-rations under this Section 4.4 shall survive the Closing; provided, however, all proration amounts shall be deemed final at the Closing and not subject to re-proration. Buyer and Seller shall each indemnify, protect, defend and hold the other party and its respective Indemnified Parties harmless from and against any and all Losses in any way arising to the extent of and for amounts as to which the indemnifying party receives a credit, or for which the indemnifying party otherwise assumes responsibility, pursuant to this Agreement. Seller's and Buyer's obligations under this Section shall not merge into the Deed and will survive the Closing.

4.5 **Actions of Escrow Holder.** On the Closing Date, as the case may be, Escrow Holder shall promptly undertake all of the following in the manner hereinbelow indicated:

4.5.1 Recordation. After disbursement as provided in Section 4.5.2, cause the Deed, the Assignment of Rights under Declaration and any other documents which the parties hereto may mutually direct to be recorded in the County Recorder's Office, and obtain conformed copies thereof for distribution to Buyer and Seller; and

4.5.2 Disbursement of Funds. Escrow Holder shall disburse all funds deposited with Escrow Holder by Buyer as follows (and in the following order):

4.5.2.1 Pay all closing costs which are to be paid through Escrow (including, without limitation, recording fees, brokerage and real estate commissions, Title Policy charges and escrow fees);

4.5.2.2 After deducting therefrom all of the items covered by Section 4.5.2.1 above which are chargeable to the account of Seller (as provided in Section 4.7 below), and either deducting therefrom or adding thereto (as appropriate) the net amount of the prorations pursuant to Section 4.4 above, disburse the Purchase Price to Seller in accordance with separate wiring instructions to be delivered to Escrow Holder by Seller; and

4.5.2.3 Disburse any remaining funds to Buyer in accordance with separate wiring instructions to be delivered to Escrow Holder by Buyer.

4.5.3 Delivery of Documents. Escrow Holder shall:

4.5.3.1 Direct the Title Company to issue the Title Policy to Buyer on the Closing Date and promptly thereafter deliver the original Title Policy to the Buyer;

4.5.3.2 When available, deliver a conformed copy of the recorded Deed to Buyer; and

4.5.3.3 Combine each of the two (2) original counterparts of the General Assignment into two (2) separate fully executed originals, and deliver to Seller and Buyer one (1) fully executed original of the General Assignment.

4.6 Seller's Deliveries to Buyer. Upon the Closing, Seller shall deliver to Buyer all right, title and interest in and possession of the Property.

4.7 Closing Costs. Any escrow fee charged by Escrow Holder and approved in advance by Seller and Buyer shall be paid by split equally by the Parties. Upon the Closing, Seller shall pay: (i) state and county transfer taxes and municipal transfer taxes identified by the municipality as customarily paid by Seller, assessed in connection with the transfer of the Property; (ii) the cost of the Title Policy. Upon the Closing, Buyer shall pay: (v) the cost of the Updated Survey; (x) municipal transfer taxes identified by the municipality as customarily paid by Buyer, assessed in connection with the transfer of the Property; (y) the cost of recording of the Deed and any endorsements to the Title Policy other than extended coverage; and (z) all costs associated with Buyer's loan, if any. Except as otherwise provided in this Agreement, each party shall be responsible for the payment of its own attorneys' fees incurred in connection with the transaction which is the subject of this Agreement.

4.8 Real Estate Commissions. Upon the Closing, Seller shall pay a real estate brokerage commission to CBRE, the broker representing Seller in this transaction, and to Phillips Martin Real Estate, the broker representing Buyer in this transaction (collectively, the "**Brokers**") in accordance with a separate agreement between the Brokers and Seller. Buyer and Seller hereby severally represent and

warrant to the other party that no commission is payable to any person or entity (other than to the Brokers referenced herein) in connection with the transaction contemplated herein based upon any agreement or undertaking by the party making such representation. Each party further agrees to and shall indemnify, protect, defend and hold the other party harmless from and against the payment of any commission to any person or entity claiming by, through or under the indemnifying party. This indemnification shall extend to any and all claims, liabilities, costs, losses, damages, causes of action and expenses (including reasonable attorneys' fees and court costs) arising as a result of such claims and shall survive the Closing or termination of this Agreement.

ARTICLE 5

REPRESENTATIONS AND WARRANTIES; CERTAIN COVENANTS

5.1 **Representations and Warranties of Seller.** In consideration of Buyer entering into this Agreement and as an inducement to Buyer to acquire the Property, Seller hereby represents and warrants to Buyer as of the Effective Date (and which will be deemed remade as of the Closing Date, as applicable) to Seller's actual knowledge, without inquiry, as follows:

5.1.1 Seller has received no written notice of any threatened or contemplated actions, suits, arbitrations, claims or proceedings, at law or in equity, affecting the Property or in which Seller is, or will be, a party by reason of Seller's ownership of the Property.

5.1.2 There are no Contracts relating to the Property which will not be terminated at Closing.

5.1.3 This Agreement and all agreements, instruments and documents herein provided to be executed or to be caused to be executed by Seller are and on the Closing Date will be duly authorized, executed and delivered by and are binding upon Seller. Seller has the legal capacity and authority to enter into this Agreement and consummate the transactions herein provided without the consent or joinder of any other party.

5.1.4 Except as may be otherwise provided in this Agreement, there are no adverse or other parties in possession of the Property, or any part thereof, nor has any party been granted any license, lease or other right relating to the use or possession of the Property or any part thereof, except those parties under the Permitted Exceptions.

5.1.5 No one other than Buyer has any option or right to acquire all or any portion of the Property.

5.1.6 Seller is not the subject debtor under any federal, state or local bankruptcy or insolvency proceeding, or any other proceeding for dissolution, liquidation or winding up of its assets.

5.1.7 Seller is not a "foreign person" as defined in Section 1445 of the Code.

5.1.8 Seller is not acting, directly or indirectly, for or on behalf of any Person named by the United States Treasury Department as a Specifically Designated National and Blocked Person, or for or on behalf of any Person designated in Executive Order 13224 or any other Executive Order, law, or regulation as a Person who commits, threatens to commit, or supports terrorism. Seller is not engaged in the transaction contemplated by this Agreement directly or indirectly on behalf of, or facilitating such transaction directly or indirectly on behalf of, any such Person.

5.1.9 Seller has not received written notice that any special assessments or taxes have been levied, other than as shown in the PTR, or are threatened to be levied, against all or any part of the Property.

5.1.10 Seller has not received written notice of any alleged violation of any federal, state, local or other governmental building, zoning, health, safety, platting, subdivision, environmental, or other law, ordinance, regulation or private restriction affecting the Property which has not prior to the date of this Agreement been corrected or otherwise attended to. Without limiting the generality of the foregoing, Seller has not received written notice:

(i) from any federal, state, county or municipal authority alleging any fire, health, safety, building, pollution, Environmental Laws, zoning or other violation of law in respect of the Property or any part thereof, which has not been entirely corrected;

(ii) concerning the possible or anticipated condemnation of any part of the Property, or the widening, change of grade or limitation on use of streets abutting the same or concerning any special taxes or assessments levied or to be levied against the Property or any part thereof;

(iii) from any insurance company or bonding company of any defects or inadequacies in the Property or any part thereof, which would adversely affect the insurability of the same or cause the imposition of extraordinary premiums or charges therefor or of any termination or threatened termination of any policy of insurance or bond; or

(iv) concerning any change in the zoning classification or the Property or any part thereof.

As used herein, the phrase "to Seller's actual knowledge" and words of similar import shall mean the actual, current knowledge as of the Effective Date and as of the Closing Date, as applicable, of John Giuffre ("Mr. Giuffre"), Senior Vice President of Old Second National Bank, whose job duties include overseeing the management of the Property on behalf of Seller.

5.2 **Recertification.** If, prior to the Closing, any of the representations or warranties made by Seller are untrue, inaccurate or incorrect in any material respect, the discovering party will give written notice thereof to the other party within three (3) business days of obtaining such actual knowledge (but, in any event, prior to the Closing) (each a "**Breach Notice**"). Seller shall notify Buyer in writing within five (5) business days after delivery of any Breach Notice as to whether or not Seller elects to cure (to Buyer's reasonable satisfaction) the misrepresentation or breach specified in such Breach Notice (or if such misrepresentation or breach is with respect to Seller's receipt of written notice, then to cure (to Buyer's reasonable satisfaction) the underlying condition specified in any such Breach Notice). If Seller elects not to or fails to cure (to Buyer's reasonable satisfaction) any such misrepresentation or breach (or if such misrepresentation or breach is with respect to Seller's receipt of written notice, then to cure (to Buyer's reasonable satisfaction) the underlying condition specified in any such Breach Notice) by the the date that is the earlier of (a) thirty (30) days after delivery of the applicable Breach Notice, and (b) the Closing Date (which Seller may extend by up to ten (10) business days for the purpose of such cure), then Buyer, may elect to: (i) waive such misrepresentations or breaches of representations and warranties and consummate the purchase and sale of the Property without any reduction of or credit against the Purchase Price; or (ii) terminate this Agreement by written notice given to Seller within two (2) business days following the expiration of Seller's cure period, in which event the Deposit will be returned to Buyer, as Buyer's sole and exclusive remedy or be deemed to have waived such right and the parties will have no further obligations to each other thereafter except the Surviving Obligations.

5.3 **Waiver; Survival.** If Buyer has actual knowledge, as of the Closing Date, that any of the Seller's representations and warranties is untrue but does not elect to pursue the remedies available to it under this Agreement notwithstanding such fact, Buyer shall be deemed to have waived the breach of such representation or warranty. Seller shall have the burden of proof that Buyer had such actual knowledge as of the Closing Date. Seller's representations and warranties in this Agreement shall survive the Closing for a period of twelve (12) months, and shall thereafter expire unless Buyer has, prior to the expiration of such twelve (12) month period, filed suit against Seller in connection with any such breach.

5.4 **AS-IS.** EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT, THE PROPERTY IS BEING SOLD IN AN "AS IS, WHERE IS" CONDITION AND "WITH ALL FAULTS" AS OF THE EFFECTIVE DATE AND OF THE CLOSING DATE. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN THIS AGREEMENT, NO REPRESENTATIONS OR WARRANTIES HAVE BEEN MADE OR ARE MADE AND NO RESPONSIBILITY HAS BEEN OR IS ASSUMED BY SELLER OR BY ANY MEMBER, OFFICER, PERSON, FIRM, AGENT, ATTORNEY, OR REPRESENTATIVE ACTING OR PURPORTING TO ACT ON BEHALF OF SELLER AS TO THE CONDITION OR REPAIR OF THE PROPERTY OR THE VALUE, EXPENSE OF OPERATION, OR INCOME POTENTIAL THEREOF OR AS TO ANY OTHER FACT OR CONDITION WHICH HAS OR MIGHT AFFECT THE PROPERTY OR THE CONDITION, REPAIR, VALUE, EXPENSE OF OPERATION OR INCOME POTENTIAL OF THE PROPERTY OR ANY PORTION THEREOF. THE PARTIES AGREE THAT ALL UNDERSTANDINGS AND AGREEMENTS MADE BETWEEN THEM OR THEIR RESPECTIVE AGENTS OR REPRESENTATIVES PRIOR TO THE EFFECTIVE DATE ARE MERGED IN THIS AGREEMENT AND THE ATTACHED EXHIBITS, WHICH FULLY AND COMPLETELY EXPRESS THEIR AGREEMENT, WITH NEITHER PARTY RELYING UPON ANY STATEMENT OR REPRESENTATION BY THE OTHER UNLESS SUCH STATEMENT OR REPRESENTATION IS SPECIFICALLY EMBODIED IN THIS AGREEMENT OR THE ATTACHED EXHIBITS. FURTHER, TO THE EXTENT THAT SELLER HAS PROVIDED TO BUYER INFORMATION FROM ANY INSPECTION, ENGINEERING OR ENVIRONMENTAL REPORTS CONCERNING ASBESTOS OR ANY HAZARDOUS MATERIALS OR HARMFUL OR TOXIC SUBSTANCES, SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO THE ACCURACY OR COMPLETENESS, METHODOLOGY OF PREPARATION OR OTHERWISE CONCERNING THE CONTENTS OF SUCH REPORTS.

The terms and obligations contained in Section 5.4 shall not merge into the Deed and will survive the Closing or earlier termination of this Agreement, as aforesaid.

5.5 **Interim Covenants of Seller.** From the Effective Date and through the Closing Date, as applicable, or the sooner termination of this Agreement:

5.5.1 Seller shall maintain the Property in the same manner as it has maintained the Property prior to the Effective Date pursuant to its normal course of business, subject to reasonable wear and tear and further subject to destruction by casualty or other events beyond the control of Seller. Seller shall not enter into or extend, renew, modify or replace any Contracts or other agreements, including a lease, which would survive the Closing (collectively, a "**Contract Event**"), without the prior written consent of Buyer (which consent shall not be unreasonably withheld), and Seller shall promptly provide Buyer with copies of all such documents from the Contract Event. With respect to any such document submitted by Seller to Buyer, if, within five (5) business days after Seller's written request for such consent, Buyer fails to consent, or to expressly withhold its consent in writing stating with specificity the reasonable basis of its objection, then Buyer shall be deemed to have approved the Contract Event.

5.5.2 Seller shall (a) keep all existing insurance policies affecting the Property, in full force and effect, (b) not make any material alterations to the Property without first obtaining the Buyer's prior written consent, and (c) not sell, assign or convey any right, title or interest whatsoever in or to the Property, or create or permit to attach any lien, security interest, easement, encumbrance, charge, or condition affecting the Property.

5.5.3 Seller shall refrain from transferring any of the Property, entering into (or negotiating to enter into) any agreement agreeing to transfer (or granting an option to a party to acquire any portion of the Property), or offering the Property for sale, or creating on or against the Property any easements, leases, liens, deeds of trust, mortgages, encumbrances or other interests that would or may adversely affect the Property or Seller's ability to deliver and convey title to the Property in the manner and condition herein contemplated, except to the extent expressly provided herein.

5.5.4 Seller shall not take any action which would cause the utility services provided to the Property, if any, to be discontinued.

5.5.5 If Mr. Giuffre receives written notice of any lien filed or threatened to be filed against the Property, other than as shown in the PTR, Seller shall deliver written notice advising Buyer of the same within three (3) business days after Mr. Giuffre's receipt of such written notice.

5.6 **Representations and Warranties of Buyer.** In consideration of Seller entering into this Agreement and as an inducement to Seller to sell the Property, Buyer hereby represents and warrants to Seller as of the Effective Date (and deemed remade as of the Closing Date, as applicable) as follows:

5.6.1 This Agreement and all agreements, instruments and documents herein provided to be executed or to be caused to be executed by Buyer are and on the Closing Date will be duly authorized, executed and delivered by and are binding upon Buyer. Buyer has the legal capacity and authority to enter into this Agreement and consummate the transactions herein provided without the consent or joinder of any other party.

5.6.2 Neither the execution and delivery of this Agreement and documents referenced herein, nor the incurrence of the obligations set forth herein, nor the consummation of the transactions herein contemplated, nor compliance with the terms of this Agreement and the documents referenced herein conflict with or result in the material breach of any terms, conditions or provisions of, or constitute a default under, any bond, note, or other evidence of indebtedness or any contract, indenture, mortgage, deed of trust, loan, partnership agreement, lease or other agreements or instruments to which Buyer is a party.

THE PARTIES ACKNOWLEDGE THAT THE PAYMENT OF SUCH LIQUIDATED DAMAGES IS NOT INTENDED AS A FORFEITURE OR PENALTY, BUT IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO SELLER. 6.2 **Buyer's Remedies.** In the event Seller fails to perform its obligations pursuant to this Agreement for any reason, then Buyer shall elect, as its sole remedy, either: (i) to terminate this Agreement by giving Seller written notice of such election on or prior to the Closing Date, in which case the entire Deposit shall be promptly delivered to Buyer and thereafter neither party shall have any further rights or obligations hereunder, except the Surviving Obligations, or (ii) to enforce specific performance of this Agreement; provided, however, that Buyer shall bring an action for specific performance, if at all, no later than thirty (30) days after the date upon which Buyer first delivered written notice of Seller's breach. Moreover, if specific performance is not available because Seller no longer owns the Property, Buyer shall have such other rights and remedies as may be available to it at law and in equity, excluding punitive and/or consequential damages. Notwithstanding the foregoing, Buyer retains the right to receive reimbursement for or recover damages in connection with Seller's indemnity/reimbursement obligations and/or breach of Seller's obligations which are specifically stated to survive the termination of this transaction.

If, prior to the Closing, any governmental authority or other entity having condemnation authority shall institute an eminent domain proceeding or take any steps preliminary thereto (including the giving of any direct or indirect notice of intent to institute such proceedings) with regard to a Material Portion (defined below) of the Property and the same is not dismissed prior to the Closing Date, Buyer shall be entitled, as its sole remedy, to terminate this Agreement upon written notice to Seller: (i) within thirty (30) days following notice by Seller to Buyer of such condemnation or the threatened condemnation (the "Seller Condemnation Notice"); or (ii) on the Closing Date, whichever occurs last. If Buyer does not terminate this Agreement pursuant to the preceding sentence, Buyer shall be conclusively deemed to have elected to accept such condemnation and waives any right to terminate this Agreement as a result thereof; provided that the actual condemnation does not materially differ from the terms set forth in the Seller Condemnation Notice. ARTICLE 8

CASUALTY DAMAGE

If, prior to the Closing, any of the Property, as the case may be, shall be damaged by fire or other casualty (collectively, "**Casualty**"), Seller shall deliver to Buyer written notice ("**Casualty Loss Notice**") of such Casualty together with: (a) Seller's determination as to whether the damage constitutes a Material Damage (defined below); and (b) all insurance policies and their declaration pages for the relevant time period which potentially cover the Property and the Casualty, along with names and contact information of all applicable insurance companies and insurance agents/agencies from whom and through whom the insurance policies were purchased. For the purposes of this Article 8, "**Material Damage**" shall mean damage to the Real Property which, as determined by Seller and Buyer in their reasonable discretion, will cost in excess of Fifty Thousand and 00/100 Dollars (\$50,000.00) to repair, whether or not such damage is covered by insurance. If, prior to the Closing, the Real Property sustains Material Damage by a Casualty, Buyer will thereafter have thirty (30) days after receipt of the items under subparagraphs (a) and (b) (and the Inspection Period [if still in effect] the Escrow and the Closing, as applicable, will likewise be extended) to decide whether to, at Buyer's option, terminate this Agreement by delivering written notice thereof to Seller by expiration of said 30 day period or if Buyer fails to timely deliver such notice of termination, Buyer shall be deemed to have waived such right. During such 30-business day period, Seller shall cooperate with and assist Buyer in determining the total actual hard and soft costs to be incurred in repairing such Material Damage, confirming that all such amounts will be covered by Seller's insurance, and that the right to adjust and receive such insurance proceeds can and will be assigned to Buyer. If Seller has not received the information Seller needs to assist Buyer in making such determinations prior to the end of such 30-business day period, then Buyer shall have the right to extend such period until the date that is five (5) business days after Seller has provided all such information to Buyer, but in no event shall such period be extended for more than 30 days. If the Real Property shall be damaged by a Casualty which is not a Material Damage or sustains Material Damage by a Casualty, but Buyer elects not to terminate the Agreement as a result thereof, then the parties shall proceed to the Closing with a credit to Buyer for the amount of any deductibles under Seller's insurance policies, but without any other reduction in the Purchase Price, and the Seller shall (at the Closing) assign to Buyer all of Seller's rights in and to any Casualty insurance proceeds which may become available as a result of the Casualty at issue. If Buyer elects to terminate this Agreement under this Article 8, the entire Deposit, if any, shall be promptly returned to Buyer, and thereafter neither party shall thereafter have any further rights or obligations hereunder, except the Surviving Obligations.

with or related to or incidental to the discussions, dealings, or actions of such persons or any of them (whether oral or written) with respect thereto, or to the transactions related thereto, in each case whether now existing or hereafter arising, and whether sounding in contract, tort or otherwise; and each party agrees and consents that any such claim, demand, action or cause of action shall be decided by trial court without a jury, and that any other party to this Agreement may file an original counterpart or a copy of this Agreement with any court as written evidence of such waiver of right to trial by jury. The parties acknowledge and agree that they have received full and sufficient consideration for this provision (and each other provision of each other related document to which they are a party) and that this provision is a material inducement for the Seller's accepting this Agreement. By waiving a jury trial, the parties intend claims and disputes to be resolved by a judge.

9.7 **Assignment; Buyer's Financial Condition.** This Agreement may be freely assigned by Buyer to a newly formed entity that is an affiliate of Buyer and is organized for the proposed transaction as determined by Buyer, in its sole discretion, upon written notice to Seller delivered no less than three (3) business days prior to Closing. 9.12 **Severability.** If any provision of this Agreement or application to any party or circumstance shall be determined by any court of competent jurisdiction to be invalid and unenforceable to any extent, the remainder of this Agreement or the application of such provision to such person or circumstances, other than those as to which it is so determined invalid or unenforceable, shall not be affected thereby, and each provision hereof shall be valid and shall be enforced to the fullest extent permitted by law.

9.13 **1031 Exchange.** Intentionally omitted.

9.14 **Assignment of Rights Under the Declaration.** The Land is encumbered by the Declaration. Seller shall deliver a copy of the Declaration to Buyer with the Title Documents. Seller makes no representations or warranties to Buyer as to whether Seller has any rights or responsibilities under the Declaration, and it is the parties' express understanding and

agreement that Buyer shall review the Declaration and make its own determination as to such rights and responsibilities, and, in doing so, Buyer shall rely exclusively on its own independent evaluation of the Declaration.

Buyer acknowledges the Soil Agreement and, notwithstanding anything to the contrary contained herein, consents to TCCI’s performance of the Soil Balancing Work. If the Closing occurs after April 14, 2016 and TCCI has not yet performed the Soil Balancing Work by Closing, Buyer shall receive a credit at Closing in the amount of \$50,000.00, which shall be applied to decrease the funds to be delivered by Buyer at the Closing pursuant to this Agreement. Seller shall retain all of its rights under the Soil Agreement post-Closing, including, without limitation, the right to file an action, at Seller’s sole cost and expense, seeking reimbursement from TCCI for any amount paid by Seller to Buyer pursuant to this Section 9.15, and Buyer hereby acknowledges and agrees that such rights shall not be assigned or succeeded to by Buyer at Closing. If Seller files a court action seeking reimbursement from TCCI under the Soil Agreement, Buyer shall cooperate, to the extent reasonably necessary and at no cost to Buyer, with Seller with respect thereto; provided, however, that in no event shall Seller file any such action in Buyer’s name or seek to join Buyer as a party to such action. Seller hereby agrees to indemnify, defend and hold Buyer harmless for and from all costs, damages, claims, suits, demands, obligations and liabilities of any kind arising from, related to, associated with and/or connected to Seller’s filing of an action seeking to join Buyer in such action in violation of the foregoing sentence. Seller shall terminate TCCI’s license rights under the Soil Agreement prior to Closing in accordance with the terms and conditions of Section 1 of the Soil Agreement. This project does not meet the State Board standards for Days of Cash on Hand or Cushion Ratio. The project proposes the relocation/replacement of Winchester House, an ongoing business, whose receivables due from third party payor include the State of Illinois, Medicare, private insurance carriers. Collections range from 45 days to over 180 days. In order to meet these ratios, the project would need to borrow additional funds, which would increase debt service and capital costs of this project. Accordingly, the Applicants request a waiver from these review criteria.

Illinois Health Facilities and Services Review Board
525 West Jefferson Street, 2nd Floor
Springfield, IL 62761
Attn: Mr. Mike Constantino

Dear Mr. Constantino:

As you are aware, I am the attorney who formed the structure for the Transitional Care of Fox Valley project (the "Project"). You have asked me to clarify the ownership, management and control of the various legal entities involved in the Project. Among the entities that we organized in connection with the Project are IH Fox Valley Owner, LLC (the "Owner") and IH Fox Valley Opco, LLC (the "Operator") as well as certain of their affiliates.

The Operator is 95% owned by IHOP JV OPCO, LLC (the "Operator Joint Venture"). The Owner is 95% owned by IHOP JV, LLC (the "Owner Joint Venture"). The Operator Joint Venture is the managing member of the Operator and the Owner Joint Venture is the managing member of the Owner. Innovative Health, LLC ("IH") is the manager of each of the Operator Joint Venture and Owner Joint Venture, respectively. Brad Haber and Brian Cloch are each 45% owners and co-managers of IH, control all of the voting rights in IH, and are authorized to act as Manager for the Owner and the Operator as well.

Lockwood Investments, LLC ("Lockwood") owns the remaining 5% of the Operator and the Owner, respectively. As a minority member in the Owner and the Operator, Lockwood has very limited voting rights with no rights to participate in the day-to-day business and management of either the Owner or the Operator. That role is reserved for Brad Haber and Brian Cloch as managers for IH. OnPointe Health Development, LLC is a majority member of the Operator Joint Venture and Owner Joint Venture (and in turn, the majority indirect owner of each of the Operator and the Owner); provided, however, that it does not manage the Operator Joint Venture, Owner Joint Venture, the Operator or the Owner. In general, Brad Haber and Brian Cloch, as managers of IH, are authorized, all without any further act, vote or approval of any other member, on behalf of the Operator Joint Venture, Owner Joint Venture, Operator and Owner to: (i) acquire the property for the Project pursuant to the purchase and sale agreement, (ii) execute, deliver and perform all duties and obligations contained in any loan documents issued in connection with financing for the property, and all documents, instruments and agreements as are required as contemplated by any authorized loans, and (iii) to operate the Project. Brad Haber and Brian Cloch, as managers of IH, manage the day-to-day affairs of the Operator and Owner, in a prudent and business-like manner and are required to devote as much time to the Operator and Owner's affairs as is reasonably necessary for the conduct of such affairs.
