Dear Ms. Avery,

Assisi Health CC at Clare Oaks is a five-star rated, CCAC-CARF accredited, 120 bed skilled nursing facility located in Bartlett, Illinois. Assisi at Clare Oaks was built in 2008 to serve the post-acute care and long-term care needs for residents living in Clare Oaks and in the greater Bartlett area.

In 2015, Assisi at Clare Oaks had an average census of 89.80 or 75% occupancy. The location of a proposed new skilled nursing facility, Alden of Bartlett, is located just 2.5 miles away from Assisi at Clare Oaks.

Certainly, Assisi at Clare Oaks has beds available for the needs of the community in the Bartlett area. The proposed new skilled nursing facility, to be located on Lot 2 on the Artis Senior Living PUD Plan of 6N625 Rte 59, will have a negative effect on our mission oriented facility which has a dedicated history of providing quality care to the residents we serve.

Thank you for taking this information into consideration when reviewing the development of new nursing homes in our vicinity.

Sincerely,

A handwritten signature in cursive script that reads "T Barton".

Tiffany Barton, LNHA
