Re: St. Clara's Manor - Project #16-014

John:

We need the following submitted for Project #16-014:

1. A copy of the admission and charity care policies for the proposed new facility.
2. The number of beds to be certified for Medicare for the proposed facility.
3. The number of beds to be certified for Medicaid for the proposed facility.
4. The date in which Medicare and Medicaid certification will be applied for if the project is approved.
5. The expected payor mix for the proposed new facility.
6. The financing for this project in the application is from Hickory Point Bank and Trust and I see the information we received today is from State Bank of Lincoln and addressed to Heritage Enterprises. We will need an explanation for this.

Should you have any questions or concerns please contact Mike Constantino or George Roate at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in black ink that reads "Mike Constantino". The signature is written in a cursive style with a long horizontal stroke at the end.
