ILLINOIS HEALTH FACILITIES AND SERVICES REVIEW BOARD APPLICATION FOR PERMIT

RECEIVED

JUN 27 2016

HEALTH FACILITIES & SERVICES REVIEW BOARD

SECTION I. IDENTIFICATION, GENERAL INFORMATION, AND CERTIFICATION

This Section must be completed for all projects.

Facility/Project Identification

Facility Name: Surgical Center of DuPage Medical Group		
Street Address: 2725 S. Technology Drive		
City and Zip Code: Lombard, IL 60148		
County: DuPage	Health Service Area VII	Health Planning Area: A-05

Applicant /Co-Applicant Identification

[Provide for each co-applicant [refer to Part 1130.220].

Exact Legal Name: DMG Surgical Center, LLC
Address: 1100 W. 31st St., Suite 300, Downers Grove, IL 60515
Name of Registered Agent: Christine Taylor
Name of Chief Executive Officer: Dennis Fine
CEO Address: 1100 W. 31st St., Suite 300, Downers Grove, IL 60515
Telephone Number: 630-469-9200

Type of Ownership of Applicant/Co-Applicant

☐	Non-profit Corporation	☐	Partnership		
☐	For-profit Corporation	☐	Governmental		
☒	Limited Liability Company	☐	Sole Proprietorship	☐	Other

- Corporations and limited liability companies must provide an **Illinois certificate of good standing.**
- Partnerships must provide the name of the state in which organized and the name and address of each partner specifying whether each is a general or limited partner.

APPEND DOCUMENTATION AS ATTACHMENT-1 IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Primary Contact

[Person to receive ALL correspondence or inquiries)

Name: Monica Hon
Title: Vice President, J.D.
Company Name: Murer Consultants Inc.
Address: 19065 Hickory Creek Drive, Mokena, IL 60448
Telephone Number: 708-478-7030
E-mail Address: mhon@murer.com
Fax Number: 708-478-7094

Site Ownership

[Provide this information for each applicable site]

Exact Legal Name of Site Owner: DMG Real Estate Holdings, LLC
Address of Site Owner: 1100 W 31st St. Suite 300 Downers Grove, IL 60515
Street Address or Legal Description of Site: **Proof of ownership or control of the site is to be provided as Attachment 2. Examples of proof of ownership are property tax statement, tax assessor's documentation, deed, notarized statement of the corporation attesting to ownership, an option to lease, a letter of intent to lease or a lease.**
APPEND DOCUMENTATION AS ATTACHMENT-2, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Operating Identity/Licensee

[Provide this information for each applicable facility, and insert after this page.]

Exact Legal Name: DMG Surgical Center LLC
Address: 1100 W 31ST ST STE 400 DOWNERS GROVE, ILLINOIS 60515

☐	Non-profit Corporation	☐	Partnership		
☐	For-profit Corporation	☐	Governmental		
☒	Limited Liability Company	☐	Sole Proprietorship	☐	Other

- Corporations and limited liability companies must provide an Illinois Certificate of Good Standing.
- Partnerships must provide the name of the state in which organized and the name and address of each partner specifying whether each is a general or limited partner.
- **Persons with 5 percent or greater interest in the licensee must be identified with the % of ownership.**

APPEND DOCUMENTATION AS ATTACHMENT-3, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Organizational Relationships

Provide (for each co-applicant) an organizational chart containing the name and relationship of any person or entity who is related (as defined in Part 1130.140). If the related person or entity is participating in the development or funding of the project, describe the interest and the amount and type of any financial contribution.

APPEND DOCUMENTATION AS ATTACHMENT-4, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Flood Plain Requirements

[Refer to application instructions.]

Provide documentation that the project complies with the requirements of Illinois Executive Order #2005-5 pertaining to construction activities in special flood hazard areas. As part of the flood plain requirements please provide a map of the proposed project location showing any identified floodplain areas. Floodplain maps can be printed at **www.FEMA.gov** or **www.illinoisfloodmaps.org**. **This map must be in a readable format**. In addition please provide a statement attesting that the project complies with the requirements of Illinois Executive Order #2005-5 **(http://www.hfsrb.illinois.gov)**.

APPEND DOCUMENTATION AS ATTACHMENT -5, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Historic Resources Preservation Act Requirements

[Refer to application instructions.]

Provide documentation regarding compliance with the requirements of the Historic Resources Preservation Act.

APPEND DOCUMENTATION AS ATTACHMENT-6, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

DESCRIPTION OF PROJECT

1. Project Classification

[Check those applicable - refer to Part 1110.40 and Part 1120.20(b)]

Part 1110 Classification:

☐ Substantive

☒ Non-substantive

2. Narrative Description

Provide in the space below, a brief narrative description of the project. Explain **WHAT** is to be done in **State Board defined terms, NOT WHY** it is being done. If the project site does NOT have a street address, include a legal description of the site. Include the rationale regarding the project's classification as substantive or non-substantive.

DMG Surgical Center, LLC currently operates an Ambulatory Surgical Treatment Center located at 2725 Technology Dr. Lombard, IL 60148 Lombard, Illinois with five (5) operating rooms and three (3) procedure rooms. The applicants are proposing an expansion and modernization of the existing ASTC. The project proposes adding three (3) additional operating rooms, accopmaying recovery rooms, adminsitrative and operational support areas, and the modernization of existing facility areas to integrate the expansion.

The co-applicants involved in this transaction include DuPage Medical Group, which is a multi-specialty group practice consisting of over 550 physicians with offices throughout DuPage County and surrounding Western Suburbs.

The proposed expansion is classsified as "non-substantive", as it is an expansion of the number of treatment rooms for an existing ASTC and the total estimated project costs exceed the capital expenditures minimum. The project does not proposed to contruct a new or replacement facility, and does not intend to offer any additional categories of service.

Project Costs and Sources of Funds

Complete the following table listing all costs (refer to Part 1120.110) associated with the project. When a project or any component of a project is to be accomplished by lease, donation, gift, or other means, the fair market or dollar value (refer to Part 1130.140) of the component must be included in the estimated project cost. If the project contains non-reviewable components that are not related to the provision of health care, complete the second column of the table below. Note, the use and sources of funds must equal.

Project Costs and Sources of Funds			
USE OF FUNDS	**CLINICAL**	**NONCLINICAL**	**TOTAL**
Preplanning Costs			
Site Survey and Soil Investigation			
Site Preparation			
Off Site Work			
New Construction Contracts	$ 2,222,948.02	$ 1,080,038.83	$ 3,303,331.85
Modernization Contracts	$ 836,714.53	$ 233,953.62	$ 1,070,668.15
Contingencies			218,700.00
Architectural/Engineering Fees	$350,000		$350,000
Consulting and Other Fees	40,000		40,000
Movable or Other Equipment (not in construction contracts)	$ 1,718,404.69		$ 1,718,404.69
Bond Issuance Expense (project related)			
Net Interest Expense During Construction (project related)			
Fair Market Value of Leased Space or Equipment			
Other Costs To Be Capitalized			
Acquisition of Building or Other Property (excluding land)			
TOTAL USES OF FUNDS	$5,321,050.37	$1,380,054.32	$6,701,104.69
SOURCE OF FUNDS	**CLINICAL**	**NONCLINICAL**	**TOTAL**
Cash and Securities	$ 390,000		$390,000
Pledges			
Gifts and Bequests			
Bond Issues (project related)			
Mortgages			
Leases (fair market value)			
Governmental Appropriations			
Grants			
Other Funds and Sources	$4,931,050.37	$1,380,054.32	$6,311,104.69
TOTAL SOURCES OF FUNDS	$5,321,050.37	$1,380,054.32	$6,701,104.69

NOTE: ITEMIZATION OF EACH LINE ITEM MUST BE PROVIDED AT ATTACHMENT-7, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Related Project Costs

Provide the following information, as applicable, with respect to any land related to the project that will be or has been acquired during the last two calendar years:

Land acquisition is related to project ☐ Yes ■ No
Purchase Price: $_____
Fair Market Value: $_____

The project involves the establishment of a new facility or a new category of service
☐ Yes ■ No

If yes, provide the dollar amount of all **non-capitalized** operating start-up costs (including operating deficits) through the first full fiscal year when the project achieves or exceeds the target utilization specified in Part 1100.

Estimated start-up costs and operating deficit cost is $ _____.

Project Status and Completion Schedules

For facilities in which prior permits have been issued please provide the permit numbers.

Indicate the stage of the project's architectural drawings:

☐ None or not applicable ☐ Preliminary
■ Schematics ☐ Final Working

Anticipated project completion date (refer to Part 1130.140): September 2017

Indicate the following with respect to project expenditures or to obligation (refer to Part 1130.140):

☐ Purchase orders, leases or contracts pertaining to the project have been executed.
☐ Project obligation is contingent upon permit issuance. Provide a copy of the contingent "certification of obligation" document, highlighting any language related to CON Contingencies
■ Project obligation will occur after permit issuance.

APPEND DOCUMENTATION AS ATTACHMENT-8, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

State Agency Submittals

Are the following submittals up to date as applicable:

☐ Cancer Registry
☐ APORS
■ All formal document requests such as IDPH Questionnaires and Annual Bed Reports been submitted
■ All reports regarding outstanding permits

Failure to be up to date with these requirements will result in the application for permit being deemed incomplete.

Cost Space Requirements

Provide in the following format, the department/area **DGSF** or the building/area **BGSF** and cost. The type of gross square footage either **DGSF** or **BGSF** must be identified. The sum of the department costs **MUST** equal the total estimated project costs. Indicate if any space is being reallocated for a different purpose. Include outside wall measurements plus the department's or area's portion of the surrounding circulation space. **Explain the use of any vacated space.**

		Gross Square Feet		Amount of Proposed Total Gross Square Feet That Is:			
Dept. / Area	**Cost**	**Existing**	**Proposed**	**New Const.**	**Modernized**	**As Is**	**Vacated Space**
REVIEWABLE							
Medical Surgical							
Intensive Care							
Diagnostic Radiology							
MRI							
Total Clinical							
NON REVIEWABLE

APPEND DOCUMENTATION AS ATTACHMENT-9, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

See Attachment 9

Facility Bed Capacity and Utilization --Not Applicable

Complete the following chart, as applicable. Complete a separate chart for each facility that is a part of the project and insert following this page. Provide the existing bed capacity and utilization data for the latest **Calendar Year for which the data are available. Include observation days in the patient day totals for each bed service.** Any bed capacity discrepancy from the Inventory will result in the application being deemed **incomplete**.

FACILITY NAME:		**CITY:**			
REPORTING PERIOD DATES:		**From:**		**to:**

TOTALS:					

CERTIFICATION

The application must be signed by the authorized representative(s) of the applicant entity. The authorized representative(s) are:

- in the case of a corporation, any two of its officers or members of its Board of Directors;
- in the case of a limited liability company, any two of its managers or members (or the sole manger or member when two or more managers or members do not exist);
- in the case of a partnership, two of its general partners (or the sole general partner, when two or more general partners do not exist);
- in the case of estates and trusts, two of its beneficiaries (or the sole beneficiary when two or more beneficiaries do not exist); and
- in the case of a sole proprietor, the individual that is the proprietor.

This Application for Permit is filed on the behalf of DuPage Medical Group, Ltd. * **in accordance with the requirements and procedures of the Illinois Health Facilities Planning Act. The undersigned certifies that he or she has the authority to execute and file this application for permit on behalf of the applicant entity. The undersigned further certifies that the data and information provided herein, and appended hereto, are complete and correct to the best of his or her knowledge and belief. The undersigned also certifies that the permit application fee required for this application is sent herewith or will be paid upon request.**

SECTION II. DISCONTINUATION --Not Applicable

This Section is applicable to any project that involves discontinuation of a health care facility or a category of service. **NOTE:** If the project is solely for discontinuation and if there is no project cost, the remaining Sections of the application are not applicable.

Criterion 1110.130 - Discontinuation

READ THE REVIEW CRITERION and provide the following information:

GENERAL INFORMATION REQUIREMENTS

1. Identify the categories of service and the number of beds, if any that is to be discontinued.
2. Identify all of the other clinical services that are to be discontinued.
3. Provide the anticipated date of discontinuation for each identified service or for the entire facility.
4. Provide the anticipated use of the physical plant and equipment after the discontinuation occurs.
5. Provide the anticipated disposition and location of all medical records pertaining to the services being discontinued, and the length of time the records will be maintained.
6. For applications involving the discontinuation of an entire facility, certification by an authorized representative that all questionnaires and data required by HFSRB or DPH (e.g., annual questionnaires, capital expenditures surveys, etc.) will be provided through the date of discontinuation, and that the required information will be submitted no later than 60 days following the date of discontinuation.

REASONS FOR DISCONTINUATION

The applicant shall state the reasons for discontinuation and provide data that verifies the need for the proposed action. See criterion 1110.130(b) for examples.

IMPACT ON ACCESS

1. Document that the discontinuation of each service or of the entire facility will not have an adverse effect upon access to care for residents of the facility's market area.
2. Document that a written request for an impact statement was received by all existing or approved health care facilities (that provide the same services as those being discontinued) located within 45 minutes travel time of the applicant facility.
3. Provide copies of impact statements received from other resources or health care facilities located within 45 minutes travel time, that indicate the extent to which the applicant's workload will be absorbed without conditions, limitations or discrimination.

APPEND DOCUMENTATION AS ATTACHMENT-10, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES - INFORMATION REQUIREMENTS

This Section is applicable to all projects except those that are solely for discontinuation with no project costs.

Criterion 1110.230 – Background, Purpose of the Project, and Alternatives

READ THE REVIEW CRITERION and provide the following required information:

BACKGROUND OF APPLICANT

1. A listing of all health care facilities owned or operated by the applicant, including licensing, and certification if applicable.
2. A certified listing of any adverse action taken against any facility owned and/or operated by the applicant during the three years prior to the filing of the application.
3. Authorization permitting HFSRB and DPH access to any documents necessary to verify the information submitted, including, but not limited to: official records of DPH or other State agencies; the licensing or certification records of other states, when applicable; and the records of nationally recognized accreditation organizations. **Failure to provide such authorization shall constitute an abandonment or withdrawal of the application without any further action by HFSRB.**
4. If, during a given calendar year, an applicant submits more than one application for permit, the documentation provided with the prior applications may be utilized to fulfill the information requirements of this criterion. In such instances, the applicant shall attest the information has been previously provided, cite the project number of the prior application, and certify that no changes have occurred regarding the information that has been previously provided. The applicant is able to submit amendments to previously submitted information, as needed, to update and/or clarify data.

APPEND DOCUMENTATION AS ATTACHMENT-11, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM. EACH ITEM (1-4) MUST BE IDENTIFIED IN ATTACHMENT 11.

PURPOSE OF PROJECT

1. Document that the project will provide health services that improve the health care or well-being of the market area population to be served.
2. Define the planning area or market area, or other, per the applicant's definition.
3. Identify the existing problems or issues that need to be addressed, as applicable and appropriate for the project. [See 1110.230(b) for examples of documentation.]
4. Cite the sources of the information provided as documentation.
5. Detail how the project will address or improve the previously referenced issues, as well as the population's health status and well-being.
6. Provide goals with quantified and measurable objectives, with specific timeframes that relate to achieving the stated goals **as appropriate**.

For projects involving modernization, describe the conditions being upgraded if any. For facility projects, include statements of age and condition and regulatory citations if any. For equipment being replaced, include repair and maintenance records.

NOTE: Information regarding the "Purpose of the Project" will be included in the State Board Report.

APPEND DOCUMENTATION AS ATTACHMENT-12, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM. EACH ITEM (1-6) MUST BE IDENTIFIED IN ATTACHMENT 12.

ALTERNATIVES

1) Identify **ALL** of the alternatives to the proposed project:

Alternative options **must** include:

A) Proposing a project of greater or lesser scope and cost;

B) Pursuing a joint venture or similar arrangement with one or more providers or entities to meet all or a portion of the project's intended purposes; developing alternative settings to meet all or a portion of the project's intended purposes;

C) Utilizing other health care resources that are available to serve all or a portion of the population proposed to be served by the project; and

D) Provide the reasons why the chosen alternative was selected.

2) Documentation shall consist of a comparison of the project to alternative options. The comparison shall address issues of total costs, patient access, quality and financial benefits in both the short term (within one to three years after project completion) and long term. This may vary by project or situation. **FOR EVERY ALTERNATIVE IDENTIFIED THE TOTAL PROJECT COST AND THE REASONS WHY THE ALTERNATIVE WAS REJECTED MUST BE PROVIDED.**

3) The applicant shall provide empirical evidence, including quantified outcome data that verifies improved quality of care, as available.

APPEND DOCUMENTATION AS ATTACHMENT-13, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

SECTION IV - PROJECT SCOPE, UTILIZATION, AND UNFINISHED/SHELL SPACE

Criterion 1110.234 - Project Scope, Utilization, and Unfinished/Shell Space

READ THE REVIEW CRITERION and provide the following information: See Attachment 14

SIZE OF PROJECT:

1. Document that the amount of physical space proposed for the proposed project is necessary and not excessive. **This must be a narrative.**

2. If the gross square footage exceeds the BGSF/DGSF standards in Appendix B, justify the discrepancy by documenting one of the following::

   a. Additional space is needed due to the scope of services provided, justified by clinical or operational needs, as supported by published data or studies;

   b. The existing facility's physical configuration has constraints or impediments and requires an architectural design that results in a size exceeding the standards of Appendix B;

   c. The project involves the conversion of existing space that results in excess square footage.

Provide a narrative for any discrepancies from the State Standard. A table must be provided in the following format with Attachment 14.

SIZE OF PROJECT				
DEPARTMENT/SERVICE	**PROPOSED BGSF/DGSF**	**STATE STANDARD**	**DIFFERENCE**	**MET STANDARD?**

APPEND DOCUMENTATION AS ATTACHMENT-14, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

PROJECT SERVICES UTILIZATION:

See Attachment 15

This criterion is applicable only to projects or portions of projects that involve services, functions or equipment for which HFSRB has established utilization standards or occupancy targets in 77 Ill. Adm. Code 1100.

Document that in the second year of operation, the annual utilization of the service or equipment shall meet or exceed the utilization standards specified in 1110.Appendix B. **A narrative of the rationale that supports the projections must be provided.**

A table must be provided in the following format with Attachment 15.

UTILIZATION					
	DEPT./ SERVICE	**HISTORICAL UTILIZATION (PATIENT DAYS) (TREATMENTS) ETC.**	**PROJECTED UTILIZATION**	**STATE STANDARD**	**MET STANDARD?**
YEAR 1					
YEAR 2					

APPEND DOCUMENTATION AS ATTACHMENT-15, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

UNFINISHED OR SHELL SPACE: --Not Applicable

Provide the following information:

1. Total gross square footage of the proposed shell space;
2. The anticipated use of the shell space, specifying the proposed GSF tot be allocated to each department, area or function;
3. Evidence that the shell space is being constructed due to
   a. Requirements of governmental or certification agencies; or
   b. Experienced increases in the historical occupancy or utilization of those areas proposed to occupy the shell space.
4. Provide:
   a. Historical utilization for the area for the latest five-year period for which data are available; and
   b. Based upon the average annual percentage increase for that period, projections of future utilization of the area through the anticipated date when the shell space will be placed into operation.

APPEND DOCUMENTATION AS ATTACHMENT-16, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

ASSURANCES: --Not Applicable

Submit the following:

1. Verification that the applicant will submit to HFSRB a CON application to develop and utilize the shell space, regardless of the capital thresholds in effect at the time or the categories of service involved.
2. The estimated date by which the subsequent CON application (to develop and utilize the subject shell space) will be submitted; and
3. The anticipated date when the shell space will be completed and placed into operation.

APPEND DOCUMENTATION AS ATTACHMENT-17, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

H. Non-Hospital Based Ambulatory Surgery

This section is applicable to all projects proposing to establish or modernize a non-hospital based ambulatory surgical treatment center or to the addition of surgical specialties.

1. **Criterion 1110.1540(a), Scope of Services Provided**

   Read the criterion and complete the following:

   a. Indicate which of the following types of surgery are being proposed:

X Cardiovascular	X Obstetrics/Gynecology	X Pain Management
X Dermatology	X Ophthalmology	X Podiatry
X Gastroenterology	X Oral/Maxillofacial	X Thoracic
X General/Other	X Orthopedic	X Otolaryngology
X Neurology	X Plastic	X Urology

   b. Indicate if the project will result in a _____ limited or X a multi-specialty ASTC.

2. **Criterion 1110.1540(b), Target Population**

   Read the criterion and provide the following:

   a. On a map (8 ½" x 11"), outline the intended geographic services area (GSA).

   b. Indicate the population within the GSA and how this number was obtained.

   c. Provide the travel time in all directions from the proposed location to the GSA borders and indicate how this travel time was determined.

3. **Criterion 1110.1540(c), Projected Patient Volume**

   Read the criterion and provide signed letters from physicians that contain the following:

   a. The number of referrals anticipated annually for each specialty.

   b. For the past 12 months, the name and address of health care facilities to which patients were referred, including the number of patients referred for each surgical specialty by facility.

   c. A statement that the projected patient volume will come from within the proposed GSA.

   d. A statement that the information in the referral letter is true and correct to the best of his or her belief.

4. **Criterion 1110.1540(d), Treatment Room Need Assessment**

   Read the criterion and provide:

   a. The number of procedure rooms proposed.

   b. The estimated time per procedure including clean-up and set-up time and the methodology used in arriving at this figure.

5. **Criterion 1110.1540(e), Impact on Other Facilities**

   Read the criterion and provide:

   a. A copy of the letter sent to area surgical facilities regarding the proposed project's impact on their workload. NOTE: This letter must contain: a description of the project including its size, cost, and projected workload; the location of the proposed project; and a request that the facility administrator indicate what the impact of the proposed project will be on the existing facility.

b. A list of the facilities contacted. **NOTE**: Facilities must be contacted by a service that provides documentation of receipt such as the US. Postal Service, FedEx or UPS. The documentation must be included in the application for permit.

6. Criterion 1110.1540(f), Establishment of New Facilities

Read the criterion and provide:

a. A list of services that the proposed facility will provide that are not currently available in the GSA; or

b. Documentation that the existing facilities in the GSA have restrictive admission policies; or

c. For co-operative ventures,

a. Patient origin data that documents the existing hospital is providing outpatient surgery services to the target population of the GSA, and

b. The hospital's surgical utilization data for the latest 12 months, and

c. Certification that the existing hospital will not increase its operating room capacity until such a time as the proposed project's operating rooms are operating at or above the target utilization rate for a period of twelve full months; and

d. Certification that the proposed charges for comparable procedures at the ASTC will be lower than those of the existing hospital.

7. Criterion 1110.1540(g), Charge Commitment

Read the criterion and provide:

a. A complete list of the procedures to be performed at the proposed facility with the proposed charge shown for each procedure.

b. A letter from the owner and operator of the proposed facility committing to maintain the above charges for the first two years of operation.

8. Criterion 1110.1540(h), Change in Scope of Service

Read the criterion and, if applicable, document that existing programs do not currently provide the service proposed or are not accessible to the general population of the geographic area in which the facility is located.

APPEND DOCUMENTATION AS ATTACHMENT-27, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

The following Sections DO NOT need to be addressed by the applicants or co-applicants responsible for funding or guaranteeing the funding of the project if the applicant has a bond rating of A- or better from Fitch's or Standard and Poor's rating agencies, or A3 or better from Moody's (the rating shall be affirmed within the latest 18 month period prior to the submittal of the application):

- **Section 1120.120 Availability of Funds – Review Criteria**
- **Section 1120.130 Financial Viability – Review Criteria**
- **Section 1120.140 Economic Feasibility – Review Criteria, subsection (a)**

VIII. - 1120.120 - Availability of Funds

The applicant shall document that financial resources shall be available and be equal to or exceed the estimated total project cost plus any related project costs by providing evidence of sufficient financial resources from the following sources, as applicable: **Indicate the dollar amount to be provided from the following sources:**

$380,000	a)	Cash and Securities – statements (e.g., audited financial statements, letters from financial institutions, board resolutions) as to: 1) the amount of cash and securities available for the project, including the identification of any security, its value and availability of such funds; and 2) interest to be earned on depreciation account funds or to be earned on any asset from the date of applicant's submission through project completion;
_____	b)	Pledges – for anticipated pledges, a summary of the anticipated pledges showing anticipated receipts and discounted value, estimated time table of gross receipts and related fundraising expenses, and a discussion of past fundraising experience.
_____	c)	Gifts and Bequests – verification of the dollar amount, identification of any conditions of use, and the estimated time table of receipts;
$6,500,000	d)	Debt – a statement of the estimated terms and conditions (including the debt time period, variable or permanent interest rates over the debt time period, and the anticipated repayment schedule) for any interim and for the permanent financing proposed to fund the project, including: 1) For general obligation bonds, proof of passage of the required referendum or evidence that the governmental unit has the authority to issue the bonds and evidence of the dollar amount of the issue, including any discounting anticipated; 2) For revenue bonds, proof of the feasibility of securing the specified amount and interest rate; 3) For mortgages, a letter from the prospective lender attesting to the expectation of making the loan in the amount and time indicated, including the anticipated interest rate and any conditions associated with the mortgage, such as, but not limited to, adjustable interest rates, balloon payments, etc.; 4) For any lease, a copy of the lease, including all the terms and conditions, including any purchase options, any capital improvements to the property and provision of capital equipment; 5) For any option to lease, a copy of the option, including all terms and conditions.
_____	e)	Governmental Appropriations – a copy of the appropriation Act or ordinance accompanied by a statement of funding availability from an official of the governmental unit. If funds are to be made available from subsequent fiscal years, a copy of a resolution or other action of the governmental unit attesting to this intent;
_____	f)	Grants – a letter from the granting agency as to the availability of funds in terms of the amount and time of receipt;
_____	g)	All Other Funds and Sources – verification of the amount and type of any other funds that will be used for the project.
$6,880,000	**TOTAL FUNDS AVAILABLE**	

APPEND DOCUMENTATION AS ATTACHMENT-36, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

IX. 1120.130 - Financial Viability

All the applicants and co-applicants shall be identified, specifying their roles in the project funding or guaranteeing the funding (sole responsibility or shared) and percentage of participation in that funding.

Financial Viability Waiver

Not applicable

The applicant is not required to submit financial viability ratios if:

1. **"A" Bond rating or better**
2. **All of the projects capital expenditures are completely funded through internal sources**
3. **The applicant's current debt financing or projected debt financing is insured or anticipated to be insured by MBIA (Municipal Bond Insurance Association Inc.) or equivalent**
4. **The applicant provides a third party surety bond or performance bond letter of credit from an A rated guarantor.**

See Section 1120.130 Financial Waiver for information to be provided

APPEND DOCUMENTATION AS ATTACHMENT-37, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

The applicant or co-applicant that is responsible for funding or guaranteeing funding of the project shall provide viability ratios for the latest three years for which **audited financial statements are available and for the first full fiscal year at target utilization, but no more than two years following project completion.** When the applicant's facility does not have facility specific financial statements and the facility is a member of a health care system that has combined or consolidated financial statements, the system's viability ratios shall be provided. If the health care system includes one or more hospitals, the system's viability ratios shall be evaluated for conformance with the applicable hospital standards.

Provide Data for Projects Classified as:	**Category A or Category B (last three years)**			**Category B (Projected)**
Enter Historical and/or Projected Years:				
Current Ratio				
Net Margin Percentage				
Percent Debt to Total Capitalization				
Projected Debt Service Coverage				
Days Cash on Hand				
Cushion Ratio				

Provide the methodology and worksheets utilized in determining the ratios detailing the calculation and applicable line item amounts from the financial statements. Complete a separate table for each co-applicant and provide worksheets for each.

2. Variance

Applicants not in compliance with any of the viability ratios shall document that another organization, public or private, shall assume the legal responsibility to meet the debt obligations should the applicant default.

APPEND DOCUMENTATION AS ATTACHMENT 38, IN NUMERICAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

See Attachment 38

X. 1120.140 - Economic Feasibility

This section is applicable to all projects subject to Part 1120.

A. Reasonableness of Financing Arrangements

The applicant shall document the reasonableness of financing arrangements by submitting a notarized statement signed by an authorized representative that attests to one of the following:

1) That the total estimated project costs and related costs will be funded in total with cash and equivalents, including investment securities, unrestricted funds, received pledge receipts and funded depreciation; or

2) That the total estimated project costs and related costs will be funded in total or in part by borrowing because:

A) A portion or all of the cash and equivalents must be retained in the balance sheet asset accounts in order to maintain a current ratio of at least 2.0 times for hospitals and 1.5 times for all other facilities; or

B) Borrowing is less costly than the liquidation of existing investments, and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period.

B. Conditions of Debt Financing

This criterion is applicable only to projects that involve debt financing. The applicant shall document that the conditions of debt financing are reasonable by submitting a notarized statement signed by an authorized representative that attests to the following, as applicable:

1) That the selected form of debt financing for the project will be at the lowest net cost available;

2) That the selected form of debt financing will not be at the lowest net cost available, but is more advantageous due to such terms as prepayment privileges, no required mortgage, access to additional indebtedness, term (years), financing costs and other factors;

3) That the project involves (in total or in part) the leasing of equipment or facilities and that the expenses incurred with leasing a facility or equipment are less costly than constructing a new facility or purchasing new equipment.

C. **Reasonableness of Project and Related Costs**

Read the criterion and provide the following:

1. Identify each department or area impacted by the proposed project and provide a cost and square footage allocation for new construction and/or modernization using the following format (insert after this page).

COST AND GROSS SQUARE FEET BY DEPARTMENT OR SERVICE

Department (list below)	A	B	C	D	E	F	G	H	Total Cost (G + H)
	Cost/Square Foot New	Cost/Square Foot Mod.	Gross Sq. Ft. New	Gross Sq. Ft. Circ.*	Gross Sq. Ft. Mod.	Gross Sq. Ft. Circ.*	Const. $ (A x C)	Mod. $ (B x E)	
Contingency									
TOTALS									

* Include the percentage (%) of space for circulation

See Attachment 39

D. Projected Operating Costs

The applicant shall provide the projected direct annual operating costs (in current dollars per equivalent patient day or unit of service) for the first full fiscal year at target utilization but no more than two years following project completion. Direct cost means the fully allocated costs of salaries, benefits and supplies for the service.

E. Total Effect of the Project on Capital Costs

The applicant shall provide the total projected annual capital costs (in current dollars per equivalent patient day) for the first full fiscal year at target utilization but no more than two years following project completion.

APPEND DOCUMENTATION AS ATTACHMENT -39, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

XI. Safety Net Impact Statement - Not Applicable

SAFETY NET IMPACT STATEMENT that describes all of the following must be submitted for ALL SUBSTANTIVE AND DISCONTINUATION PROJECTS:

1. The project's material impact, if any, on essential safety net services in the community, to the extent that it is feasible for an applicant to have such knowledge.

2. The project's impact on the ability of another provider or health care system to cross-subsidize safety net services, if reasonably known to the applicant.

3. How the discontinuation of a facility or service might impact the remaining safety net providers in a given community, if reasonably known by the applicant.

Safety Net Impact Statements shall also include all of the following:

1. For the 3 fiscal years prior to the application, a certification describing the amount of charity care provided by the applicant. The amount calculated by hospital applicants shall be in accordance with the reporting requirements for charity care reporting in the Illinois Community Benefits Act. Non-hospital applicants shall report charity care, at cost, in accordance with an appropriate methodology specified by the Board.

2. For the 3 fiscal years prior to the application, a certification of the amount of care provided to Medicaid patients. Hospital and non-hospital applicants shall provide Medicaid information in a manner consistent with the information reported each year to the Illinois Department of Public Health regarding "Inpatients and Outpatients Served by Payor Source" and "Inpatient and Outpatient Net Revenue by Payor Source" as required by the Board under Section 13 of this Act and published in the Annual Hospital Profile.

3. Any information the applicant believes is directly relevant to safety net services, including information regarding teaching, research, and any other service.

A table in the following format must be provided as part of Attachment 43.

Safety Net Information per PA 96-0031			
CHARITY CARE			
Charity (# of patients)	**Year**	**Year**	**Year**
Inpatient			
Outpatient			
Total			
Charity (cost in dollars)			
Inpatient			
Outpatient			
Total			
MEDICAID			
Medicaid (# of patients)	**Year**	**Year**	**Year**
Inpatient			
Outpatient			
Total			

Medicaid (revenue)			
Inpatient			
Outpatient			
Total			

APPEND DOCUMENTATION AS ATTACHMENT-40, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

XII. Charity Care Information

See Attachment 41

Charity Care information MUST be furnished for ALL projects.

1. All applicants and co-applicants shall indicate the amount of charity care for the latest three **audited** fiscal years, the cost of charity care and the ratio of that charity care cost to net patient revenue.

2. If the applicant owns or operates one or more facilities, the reporting shall be for each individual facility located in Illinois. If charity care costs are reported on a consolidated basis, the applicant shall provide documentation as to the cost of charity care; the ratio of that charity care to the net patient revenue for the consolidated financial statement; the allocation of charity care costs; and the ratio of charity care cost to net patient revenue for the facility under review.

3. If the applicant is not an existing facility, it shall submit the facility's projected patient mix by payer source, anticipated charity care expense and projected ratio of charity care to net patient revenue by the end of its second year of operation.

Charity care" means care provided by a health care facility for which the provider does not expect to receive payment from the patient or a third-party payer. (20 ILCS 3960/3) Charity Care must be provided at cost.

A table in the following format must be provided for all facilities as part of Attachment 44.

CHARITY CARE			
	Year	**Year**	**Year**
Net Patient Revenue			
Amount of Charity Care (charges)			
Cost of Charity Care			

APPEND DOCUMENTATION AS ATTACHMENT-41, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

NOTES TO USERS

This map is for use in administering the National Flood Insurance Program. It does not necessarily identify all areas subject to flooding, particularly from local drainage sources of small size. The community map repository should be consulted for possible updated or additional flood hazard information.

To obtain more detailed information in areas where Base Flood Elevations (BFEs) and/or floodways have been determined, users are encouraged to consult the Flood Profiles and Floodway Data and/or Summary of Stillwater Elevations tables contained within the Flood Insurance Study (FIS) report that accompanies this FIRM. Users should be aware that BFEs shown on the FIRM represent rounded whole-foot elevations. These BFEs are intended for flood insurance rating purposes only and should not be used as the sole source of flood elevation information. Accordingly, flood elevation data presented in the FIS report should be utilized in conjunction with the FIRM for purposes of construction and/or floodplain management.

Coastal Base Flood Elevations shown on this map apply only landward of 0.0' North American Vertical Datum of 1988 (NAVD 88). Users of this FIRM should be aware that coastal flood elevations are also provided in the Summary of Stillwater Elevations table in the Flood Insurance Study report for this jurisdiction. Elevations shown in the Summary of Stillwater Elevations table should be used for construction and/or floodplain management purposes when they are higher than the elevations shown on this FIRM.

Boundaries of the floodways were computed at cross sections and interpolated between cross sections. The floodways were based on hydraulic considerations with regard to requirements of the National Flood Insurance Program. Floodway widths and other pertinent floodway data are provided in the Flood Insurance Study report for this jurisdiction.

In the State of Illinois, any portion of a stream or watercourse that lies within the floodway fringe of a studied (AE) stream may have a state regulated floodway. The FIRM may not depict these state regulated floodways.

Floodways restricted by anthropogenic features such as bridges and culverts are drawn to reflect natural conditions and may not agree with the model computed widths listed in the Floodway Data table in the Flood Insurance Study report.

Multiple topographic sources may have been used in the delineation of Special Flood Hazard Areas. See Flood Insurance Study report for details on source resolution and geographic extent.

Certain areas not in Special Flood Hazard Areas may be protected by flood control structures. Refer to Section 3.4 "Flood Protection Measures" of the Flood Insurance Study report for information on flood control structures for this jurisdiction.

The projection used in the preparation of this map was Universal Transverse Mercator (UTM) zone 16. The horizontal datum was NAD 83, GRS80 spheroid. Differences in datum, spheroid, projection or UTM zones used in the production of FIRMs for adjacent jurisdictions may result in slight positional differences in map features across jurisdiction boundaries. These differences do not affect the accuracy of this FIRM.

Flood elevations on this map are referenced to the North American Vertical Datum of 1988. These flood elevations must be compared to structure and ground elevations referenced to the same vertical datum. For information regarding conversion between the National Geodetic Vertical Datum of 1929 and the North American Vertical Datum of 1988, visit the National Geodetic Survey website at www.ngs.noaa.gov or contact the National Geodetic Survey at the following address:

NGS Information Services, NOAA, N/NGS12
National Geodetic Survey SSMC-3, #9202
1315 East-West Highway
Silver Spring, Maryland 20910-3282
(301) 713-3242

To obtain current elevation, description, and/or location for bench marks shown on this map, please contact the Information Services Branch of the National Geodetic Survey at (301) 713-3242, or visit its website at www.ngs.noaa.gov.

Base map information shown on this FIRM was provided in digital format by DuPage County, Illinois. Color digital orthophoto with a 6-inch pixel resolution were photogrammetrically compiled from aerial photography obtained during the spring of 2005.

This map reflects more detailed and up-to-date stream channel configurations than those shown on the previous FIRM for this jurisdiction. The Special Flood Hazard Areas and floodways that were transferred from the previous FIRM may have been adjusted to conform to these new stream channel configurations. As a result, the Flood Profiles and Floodway Data tables in the Flood Insurance Study report (which contains authoritative hydraulic data) may reflect stream channel distances that differ from what is shown on this map.

Corporate limits shown on this map are based on the best data available at the time of publication. Because changes due to annexations or de-annexations may have occurred after this map was published, map users should contact appropriate community officials to verify current corporate limit locations.

Please refer to the separately printed Map Index for an overview map of the county showing the layout of map panels; community map repository addresses; and a Listing of Communities table containing National Flood Insurance Program dates for each community as well as a listing of the panels on which each community is located.

For information on available products associated with this FIRM visit the Map Service Center (MSC) website at http://msc.fema.gov. Available products may include previously issued Letters of Map Change, a Flood Insurance Study Report, and/or digital versions of this map. Many of these products can be ordered or obtained directly from the MSC website.

If you have questions about this map, how to order products or the National Flood Insurance Program in general, please call the FEMA Map Information eXchange (FMIX) at 1-877-FEMA-MAP (1-877-336-2627) or visit the FEMA website at http://www.fema.gov/business/nfip.

Historic Resources Act Preservation Requirements

Please see the attached documentation indicating that the facility located at 2725 S. Technology Dr. Lombard, Illinois 60148 meets all of the requirements regarding the Historic Resources Preservation Act, as evidenced by the following:

- Original letter from the Illinois Historic Preservation Agency from facilities 2002 CON application;

- Updated IHPA determination letter.

Illinois Historic Preservation Agency

1 Old State Capitol Plaza • Springfield, Illinois 62701-1507 • (217) 782-4836 • TTY (217) 524-7128

DuPage County Please refer to: IHPA LOG #0211150007PDU
Lombard

Outpatient surgery facility

November 20, 2002

Mr. Jacob M. Axel
Axel & Associates, Inc.
President
675 North Court, Suite 210
Palatine, IL 60067

Dear Sir:

The Illinois Historic Preservation Agency is required by the Illinois State Agency Historic Resources Preservation Act (20 ILCS 3420, as amended, 17 IAC 4180) to review all state funded, permitted or licensed undertakings for their effect on cultural resources. Pursuant to this, we have received information regarding the referenced project for our comment.

Our staff has reviewed the specifications under the state law and assessed the impact of the project as submitted by your office. We have determined, based on the available information, that no significant historic, architectural or archaeological resources are located within the proposed project area.

According to the information you have provided concerning your proposed project, apparently there is no federal involvement in your project. However, please note that the state law is less restrictive than the federal cultural resource laws concerning archaeology. If your project will use federal loans or grants, need federal agency permits, use federal property, or involve assistance from a federal agency, then your project must be reviewed under the National Historic Preservation Act of 1966, as amended. Please notify us immediately if such is the case.

This clearance remains in effect for one (1) year from date of issuance. It does not pertain to any discovery during construction, nor is it a clearance for purposes of the IL Human Skeletal Remains Protection Act (20 ILCS 3440).

Please retain this letter in your files as evidence of compliance with the Illinois State Agency Historic Resources Preservation Act.

Sincerely,

Anne E. Haaker

Bryan Niehaus
Murer Consultants, Inc.
19065 Hickory Creek Dr., Suite 115
Mokena, IL 60448

Dear Mr. Niehaus:

This letter is to inform you that we have reviewed the information provided concerning the referenced project.

Our review of the records indicates that no historic, architectural or archaeological sites exist within the project area.

Please retain this letter in your files as evidence of compliance with Section 4 of the Illinois State Agency Historic Resources Preservation Act (20 ILCS 3420/1 et. seq.). This clearance remains in effect for two years from date of issuance. It does not pertain to any discovery during construction, nor is it a clearance for purposes of the Illinois Human Skeletal Remains Protection Act (20 ILCS 3440).

If you have any further questions, please contact David Halpin, Cultural Resources Manager, at 217/785-4998.

Sincerely,

Rachel Leibowitz, Ph.D.

SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES – INFORMATION REQUIREMENTS

Criterion 1110.230 – Background, Purpose of the Project and Alternatives

BACKGROUND OF THE APPLICANT

1. A listing of all health care facilities owned or operated by the applicant, including licensing, and certification if applicable:

   DuPage Medical Group, Ltd. owns and operates the following health care facilities, all of which are Ambulatory Surgical Treatment Centers:
   - DMG Surgical Center LLC (100%)
   - DMG Pain Management Surgery Center, LLC (100%)
   - DMG Practice Management Solutions LLC (70%)
     - A Delaware LLC and only holds assets in Illinois as such an Illinois Certificate of Good Standing for a foreign limited liability company is not applicable.
     - DMG Practice Management Solutions has a direct ownership interest of Naperville Surgical Centre, LLC (75%).

   DuPage Medical Group, Ltd. owns or operates the following health care facility, and has contracted for management and administrative services from Midwest Physician Administrative Services, LLC:
   - Plainfield Surgery Center, LLC (48%) and MPAS Management

   DuPage Medical Group also has an ownership interest in the following entities:
   - DMG Real Estate Holdings, LLC (Site Ownership)
   - DMG Real Estate, LLC (Site Ownership)

   See Attachment 11-Exhibit 1 for all relevant licensing and/or certification for these facilities

2. A certified listing of any adverse action taken against any facility owned and/or operated by the applicant during the three years prior to the filing of the application:

   There have been no adverse actions taken against any facility owned or operated by DuPage Medical Group, Ltd. during the three years prior to the filing of this application. See Attachment 11-Exhibit 2 for a statement of certification.

3. See Attachment 11-Exhibit 2, which includes authorization from DuPage Medical Group, Ltd. certifying that there have been no adverse actions against its facilities listed above and permitting HFSRB and IDPH access to any documents necessary to verify the information submitted in this application.

Dennis Fine
Administrator
DMG Surgical Center
2725 South Technology Drive
Lombard, IL 60148

Dear Mr. Fine:

This is to inform you that your ambulatory surgical center (ASC) continues to meet the requirements for participation in the Medicare program (Title XVIII of the Social Security Act).

On March 20, 2014, we informed you that we were terminating your participation in the Medicare program due to failure to comply with the applicable requirements for ASC. The Illinois Department of Public Health (IDPH) completed a Post-Certification Audit of your facility on April 15, 2014. The review found that the deficiencies which led to our termination action have been corrected. Therefore, the termination action, which was to be effective May 2, 2014, is rescinded.

You should report to the State agency any changes in staffing, services, or organization which might affect your Medicare certification status.

We appreciate your cooperation and look forward to your continuing participation in the Medicare program. If you have any questions, please contact me at (312) 353-4363.

Sincerely,

Michael Potjeau

Naperville Surgical Centre, LLC
1263 Rickert Drive
Naperville, IL 60540

Joint Commission ID #: 61274
Program: Ambulatory Health Care
Accreditation
Accreditation Activity: Measure of Success

Accreditation Activity Completed: 05/18/2016

Dear Mr. Ladniak:

The Joint Commission would like to thank your organization for participating in the accreditation process. This process is designed to help your organization continuously provide safe, high-quality care, treatment, and services by identifying opportunities for improvement in your processes and helping you follow through on and implement these improvements. We encourage you to use the accreditation process as a continuous standards compliance and operational improvement tool.

The Joint Commission is granting your organization an accreditation decision of Accredited for all services surveyed under the applicable manual(s) noted below:

- **Comprehensive Accreditation Manual for Ambulatory Health Care**

This accreditation cycle is effective beginning November 05, 2015. The Joint Commission reserves the right to shorten or lengthen the duration of the cycle; however, the certificate and cycle are customarily valid for up to 36 months.

Please visit Quality Check® on The Joint Commission web site for updated information related to your accreditation decision.

We encourage you to share this accreditation decision with your organization's appropriate staff, leadership, and governing body. You may also want to inform the Centers for Medicare and Medicaid Services (CMS), state or regional regulatory services, and the public you serve of your organization's accreditation decision.

Please be assured that The Joint Commission will keep the report confidential, except as required by law. To ensure that The Joint Commission's information about your organization is always accurate and current, our policy requires that you inform us of any changes in the name or ownership of your organization or the health care services you provide.

Sincerely,

Mark Pelletier

Delores Stam
Administrator
Plainfield Surgery Center, LLC
24600 West 127th Street, Building C
Plainfield, IL 60544

Dear Ms. Stam:

In response to the allegation that Plainfield Surgery Center is in compliance with the Medicare Conditions for Coverage for ambulatory surgical centers (ASCs), the Illinois Department of Public Health conducted a post-survey audit on April 1, 2013. The desk audit revealed that your ASC is now in compliance with the Conditions for Coverage. Therefore, we are rescinding our decision to terminate your participation in the Medicare program.

Plainfield Surgery Center is again deemed to meet applicable Medicare requirements based upon accreditation by the Accreditation Association for Ambulatory Health Care (AAAHC). The IDPH will no longer conduct monitoring surveys of your ASC.

We appreciate your cooperation. If you have any questions regarding this matter, please contact me at (312) 353-4363.

525 West Jefferson Street, 2nd Floor
Springfield, Illinois 62761

Dear Chair Olson,

In keeping with 77 Ill. Adm. Code § 1110.230(a) (Background of the Applicant – Information Requirements) please find this letter of certification and authorization.

Specifically, this letter certifies that none of the health care facilities owned or operated by DuPage Medical Group, Ltd., to wit DMG Surgical Center, LLC, DMG Pain Management Surgery Center, LLC, Plainfield Surgery Center, LLC, and Naperville Surgery Centre LLC, have had any adverse actions taken against them in the three years (3) prior to the filing of this application.

Furthermore, DuPage Medical Group, Ltd. authorizes, on behalf of the DMG Surgical Center, LLC, DMG Pain Management Surgery Center, LLC, Plainfield Surgery Center, LLC, and Naperville Surgery Centre LLC, the Health Facilities and Services Review Board and the Illinois Department of Public Health to access any documents necessary to verify the information submitted, including, but not limited to: official records of the IDPH or other State agencies; the licensing or certification records of other states, when applicable; and the records of nationally recognized accreditation organizations.

Sincerely,

Dennis Fine, COO
DuPage Medical Group

Notarization:
Subscribed and sworn to before me this 21st day of June, 2016.

SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES – INFORMATION REQUIREMENTS

Criterion 1110.230 – Background, Purpose of the Project and Alternatives

PURPOSE OF THE PROJECT

Improving Health Care in DuPage County

The Need for Complex, Specialized Care in the Western Suburbs

The applicants propose to expand and modernize the multi-specialty ambulatory surgical treatment center ("ASTC"), located at 2725 South Technology Drive, Lombard, IL, 60148, through the addition of three (3) operating rooms, twelve (12) recovery rooms, physician offices, staff locker rooms, and the modernization of existing areas. The primary purpose of the proposed project is to enable the applicants to better meet the current and future needs of its patients and the community for high quality, cost efficient, and accessible outpatient surgical care. Current research demonstrates that the ASTC setting is less costly, more efficient, and more convenient for patients and their family.

Research by Elizabeth Munnich and Stephen Parenta, published in Health Affairs Vol. 33, Issue 5, May 2014, concludes that ASTCs provide better care at lower costs than hospital for appropriate patients. On average, the study found procedures performed in ASCs take 31.8 fewer minutes than those performed in hospitals—a 25 percent difference relative to the mean procedure time. Higher risk patients were found to have 2.5% fewer readmissions when treated in an ASTC versus a hospital, and similar patients were less likely to visit an emergency department or be admitted to a hospital following an outpatient surgery when treated in an ASTC rather than a hospital.

ASTCs reduce out-of-pocket expenses for patients by generally charging lower rates than hospitals for surgical procedures. This has been addressed by the Medicare Payment Advisory Council (MedPac), which stated in report to Congress that "ASCs can offer greater convenience to patients and providers. In addition, program spending and beneficiary cost sharing are lower in ASCs than in HOPDs on a per service basis. Therefore, a migration of surgical services from HOPDs to ASCs could reduce aggregate program spending and beneficiary cost sharing." (MEDPAC: Report to Congress: Medicare Payment Policy, Section 2C: Ambulatory surgical centers March 2010).

Removed from the hospital setting, ASTCs allow surgeons to be more efficient due to faster room turnover, specialized focuses, and designated surgical times that are not impacted by emergent and trauma cases that can create longer wait times for patients. With easier access to facility parking, reduced wait times, and optimized procedure flow, ASTC services result in higher patient satisfaction. A 2008 Press Ganey survey found an average patient satisfaction of 92% for care and service in ASTCs. (Press Ganey Associates, "Outpatient Pulse Report," 2008.)

As exhibited in attachment 27, the applicants' ASTC is currently operating in excess of the established state utilization standards. As a result, the applicants cannot meet the demand for its services within the community. When unable to meet the demand for services at its conveniently located ASTC, patients must be referred out to unfamiliar sites of service that include more expensive and inconvenient hospital outpatient settings. This removes patients from the continuum of care provided by the applicants that optimizes patient health and outcomes. Further, patients must often receive care outside of the applicants' integrated Electronic Medical Record (EMR) system. Research has generally displayed that the more information on a single EMR, the better the outcomes are for patient care. Patients receiving care on a single integrated EMR often experience reduced clinical errors and better outcomes as a result (Nir Menachemi, Taleah H Collum, Risk Management Healthcare Policy. 2011; 4: 47–55. May 11, 2011).

If approved, the proposed project will enable the applicant to bring its high level of care to a larger portion of the community, providing more patients with access to the significant benefits of an ASTC setting, improving the health and well-being of the population residing in the geographic area. This includes increased community access to high quality care in a convenient setting, reduced costs from the hospital outpatient setting, optimized surgical processes, and increased utilization of a single integrated EMR for surgery, Furthermore, the expansion will allow the current facility to continue full operations while expanding its ability to offer its patients a continuum of care at a familiar site of service.

Market Area

The ASTC is located at 2725 S. Technology Drive, Lombard, IL, 60148. Because this is an expansion of the services currently being offered, this project is not intending the change the service area of the current facility. The ASTC principally serves residents of Health Service Area 7, consisting of DuPage and Suburban Cook Counties (the Primary Market Service Area). However, patients living in Cook, Will and Kane County will also visit this location. Using HFSRB rules as a guideline, the geographic service area ("GSA" includes all zip code area that are within a 45-minute drive time radius surrounding the site. DMG does not expect the patient population to vary greatly from historical utilization. As seen in the table below, the current patient origins indicate that ASTC services offered at DMG primarily serve DuPage County and the surrounding areas.

See Attachment 12-Exhibit 1 for a map showing the updated Market Service Area.

Project Goals

The above response details the overall goal of the project to addressing the identified issues to improve the health and well-being of the community. The significant objectives and specific timeframes for completing the project are as follows:

- The first goal is to receive a building permit in October of 2016.
- The second goal is the begin construction in October of 2016, with construction targeted to be completed in July of 2017.
- The third goal is for the expansion of the facility to be approved for occupancy and operational on September 18, 2017

Modernization

The modernization portion of the project include the following areas being updated: nonclinical areas, a women's locker room, a storage closet, a patient intake room and multiple recovery rooms. The current conditions of the locker room would not allow the staff an adequate space to meet the needs if the facility if the proposed expansion is approved. As such the space is being reconfigured to give them the space needed. The recovery rooms are being modernized to meet the needs of the reconfigured facility.

SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES – INFORMATION REQUIREMENTS

Criterion 1110.230 – Background, Purpose of the Project and Alternatives

ALTERNATIVES

The proposed project will provide DMG Surgical Center, LLC with increased operational capacity within the existing ASTC. The Illinois Health Facilities and Services Review Board approved the ASTC as it exists and operates today pursuant to CON permit 03-022, and this project furthers the same purposes approved by the Board in Project 03-022. Namely, the additional rooms will allow DuPage Medical Group to continue its objectives of offering its service area residents and patients improved efficiency and reduced operating costs for outpatient surgery.

Three alternatives were evaluated and found to be inferior to the proposed project.

1. **Maintain *Status Quo***

The first alternative considered was to maintain the status quo by not expanding the facility to include any additional operating rooms. This alternative was dismissed because it would not address the main purpose of the project, reducing the overcapacity of the current facility in relation to the demand for services. The inability to provide sufficient capacity at the facility deprives patients and the community from access to the high quality, lower cost, and convenient care offered at the ASTC by the applicants. There is no direct cost for the applicant associated with maintaining the status quo.

This alternative was rejected because maintaining the status quo does not address the identified issues upon which the project is based.

2. **Remain Open on Nights and Weekends**

The applicants considered the possibility of remaining open on nights and weekends in order help address the operational capacity issues. However, this ultimately was determined to not be a viable option for patients or physicians. The facility already has extended hours Monday – Friday, remaining open until 6:00pm, and the facility is open every other Saturday. Any additional extension of operating hours or days would have resulted in a very minimal increase in operational capacity.

The exact cost of this alternative was not determined due to the above conclusions. However, based on current operating expenses, it is likely the expanded hours would have cost somewhere between $100,000 and $500,000 in additional operational costs per year.

The amount of time that would have to be added onto the already expanded service hours would not accomplish the goal of reducing the overcapacity issues. The alternative plan of remaining open on nights and weekends was therefore rejected by the applicants.

3. Reducing the Scope and Size of Current Project

The last alternative considered was to reduce the size and the scope of the project. The applicant is currently seeking approval to add three additional operating rooms and accompanying recovery rooms to the ASTC. The applicant investigated and considered the alternative option of only adding one or two operating rooms, but it was ultimately dismissed. The current plan for three operating rooms and 12 additional recovery rooms is necessary to address the demand for the facility.

As evidenced within this application, the applicants have a documented demand for the development of at least three (3) more operating rooms. The applicants determined that the development of only one or two more operating rooms will quickly lead to the same issues this proposed expansion is designed to address. In order to address the stated issues with the current operational capacity, and to ensure the most beneficial experience and outcomes for patients, the applicants dismissed the alternative of reducing the scope of the proposed project to one or two operating rooms.

Due to the above conclusions, the applicants did not determine the exact cost of a build-out of only one or two operating rooms. The cost would likely have fallen below the current project costs of approximately 6.6 million. Although the reduction in rooms would have reduced the price of the proposed expansion and modernization project, it does not outweigh the benefit of adding three (3) operating rooms.

The alternative plan of only adding two operating rooms was therefore rejected by the applicants.

ATTACHMENT-14

SECTION IV – PROJECT SCOPE, UTILIZATION, AND UNFINISHED SHELL SPACE

Size of Project

The expansion proposed by DMG Surgical Center, LLC will incorporate 8,500 additional square feet to the existing 20,700 square foot ASTC. The entire 8,500 square feet is necessary and 5,720 square feet will be directly used for the treatment of patients. The construction plans also include necessary modernization to both clinical and non-clinical space to adjust for the facility's expansion. Each area of the proposed expansion and modernization, along with its location and square footage are included in the table below:

Area	Location in Building	Square Footage
Proposed OR room #6	NW corner	434
Proposed OR room #7	NW corner	422
Proposed OR room #8	NW corner	422
Additional Clinical Space	NE side of building	4,442
Non-Clinical Space	NW corner	2,780
Non-Clinical Modernization	Various locations	602
Clinical Modernization	Various locations	2,153
TOTAL		**New: 8,500 ft^2** **Modernization: 2,755 ft^2**

Treatment rooms total 1,278 square feet out of the total 8,500 proposed in the new construction expansion. The standard for new construction is 2075-2750 BGSF/Treatment Room.[1] There will be 2,548 building square feet per operating room in the new construction, which is with the applicable state standards, as identified in the table below. The modernization of 2,153 sq. ft. of clinical space for the existing 8 treatment rooms is within the state standard of 1660-2200 DGSF. Once complete, the ASTC will have 33 recovery rooms for 11 total treatment rooms, within the state standard of 4 recovery rooms per operating/procedure room.

Service	Proposed BGSF	State Standard	Difference	Met Standard?
ASTC Expansion	8,500 BGSF	2075-2750 BGSF/Treatment Room	- 606	Yes

Service	Proposed DGSF	State Standard	Difference	Met Standard?
ASTC Modernization	2,153 DGSF	1660-2200 DGSF/Treatment Room	- 15,447	Yes

[1] See Section 1110 Appendix B.

ATTACHMENT-15

SECTION IV – PROJECT SCOPE, UTILIZATION, AND UNFINISHED SHELL SPACE

Project Services Utilization

Per the applicable rules (as confirmed in conversations with IHFSRB staff members), an application involving Clinical Service Areas need only include utilization standards for which the IHFSRB has established targets. This project includes a specific clinical service area: Operating room, which has established standards found in Section 1110, Appendix B.

Ambulatory Surgical Treatment Center (Operating Room)

By the second year after project completion, the ASTC's annual utilization shall meet or exceed HFSRB's utilization standards. Based upon projected procedures documented within the physician referral letters included herein as Appendix-1, 5,257 additional procedures will be performed at the ASTC within the first year after project completion. As identified below, the projected procedures were multiplied by the historical time per procedure[1] for each specialty to obtain the projected utilization for the additional 3 operating rooms[2].

Surgery Area	Average Time per Patient
General	1.05
OB/Gynecology	0.87
Ophthalmology	0.80
Orthopedic	1.34
Otolaryngology	1.20
Pain Management	0.47
Plastic	1.63
Podiatry	1.40
Gastroenterology	0.67
Urology	1.51

UTILIZATION FOR OPERATING ROOMS					
	DEPT./ SERVICE AREA	HISTORICAL UTILIZATION	PROJECTED UTILIZATION	STATE STANDARD	MET STANDARD?
YEAR 1	Multi-Specialty Operating room	N/A	5,561.2 Additional Hours	1,500 Hours / room (4,500)	YES

[1] See published HFSRB Annual Ambulatory Surgical Treatment Center Data Profiles.

[2] Please note that HFSRB staff confirmed the projected utilization must only be demonstrated for the additional 3 operating rooms, not the existing 8 treatments rooms that are addressed in Attachment 27 using historical data.

ATTACHMENT-27

Section VII (H) Non-Hospital Based Ambulatory Surgery: See below for applicable sections of 77 IL ADC 1110.1540:

a) Identification of ASTC Service and number of Surgical/Treatment Rooms

The existing ASTC will continue to offer the current services being provided as a multi-specialty ASTC with the addition of three (3) Operating Rooms. If granted approval, the facility will operate eleven (11) total treatment rooms. The facility is approved to offer the following services:

Gastroenterology	General/other	OB/GYN
Ophthalmology	Orthopedic	Plastic
Pain Management	Podiatry	Otolaryngology
Urology	Cardiovascular	Dermatology
Neurology	Oral/Maxillofacial	Thoracic

b) Background of the Applicant

1) The following entities will have 5% or more ownership interest in the facility:
- DuPage Medical Group, Ltd.– 87.5%
- Edward Health Ventures, Inc. – 12.5%

3) DuPage Medical Group, Ltd. also has ownership in the following entities (as described more fully in Attachment 4):

i. DMG Pain Management Surgery Center, LLC (100%)
ii. Plainfield Surgery Center, LLC (48%) and MPAS Management
iii. DMG Real Estate Holdings, LLC (Site Ownership)
iv. DMG Real Estate, LLC (Site Ownership)
v. DMG Practice Management Solutions LLC (70%)
    1. Naperville Surgical Centre, LLC (75%)

See the attached Exhibit 1 to Attachment-27 for a signed statement from DuPage Medical Group, Ltd. certifying that no adverse action has been taken against any facility owned or operated by DMG and providing authorization for access to IDPH/HFSRB.

c) Service to GSA Residents

2) Geographic Service Area

A) See attached Exhibit 2 concerning a list of the anticipated Geographic Service Area which is updated to comply with state regulations and to also coincide with DMG Surgical Centers increasing patient population. DMG Surgical Center's patient population still includes the GSA as stated in the facilities original permit 03-022, as demonstrated in Exhibit 3.

B) See attached Exhibit 4 for the historical patient origin information by zip code for the last 12-months of operation.

e) Service Demand – Expansion

1) Historical Service Demand

A) Consistent with the historical information, the facility has demonstrated the historical utilization standards are currently exceeding state standards. The state standard is 1,500 hours per treatment room, or 12,000 hours for 8 treatment rooms. In 2013, the facility performed 7,806 surgeries in five ORs totaling 10,159.00 hours, and 7,630 surgeries in three procedure rooms totaling 4,968.25 hours, for a total of 15,127.25 hours in 8 treatment rooms. In 2014, the facility performed 8,708 surgeries in five ORs totaling 9,484.75 hours, and 7724 surgeries in three procedure rooms totaling 5,078.75 hours, for a total of 14,563.50 hours in 8 treatment rooms. See, Exhibit 5.

B) Please see what has been attached as Appendix-2 regarding physician referrals to other IDPH facilities.

2) Projected Service Demand – Projected Referrals

B) Based upon the historic utilization, referenced above as well as the fact that DMG Surgical Center expects an increase in the number of referrals, as evidenced by the attached physician referrals attached as Appendix-1, the projected demand is sufficient to meet the state standards for utilization.

f) Treatment Room Need Assessment – Review Criterion

1) As demonstrated by the physician referrals in Appendix-1, the facility currently projects to perform an additional 5,257 procedures totaling 5,561.2 additional hours in the first year following project completion. This surpasses the state standard (4,500 hours) for the three additional rooms. The facility is already exceeding the utilization standards (12,000) for its existing 8 treatment rooms by 2,500-3,000 hours per year. The proposed number of treatment rooms are necessary in order to service the projected patient volume.

2) Based upon the physician referrals and the historical caseload data, the applicants project the following patient treatments and average time per patient treatment, justifying the

expected utilization of the three additional treatment rooms. This is in addition to the historical utilization data, as referenced above and attached as Exhibit 4.

Specialty	Total Surgeries	Average Time per Patient	Total Surgery Hours
General	895	1.05	939.75
OB/Gynecology	190	0.87	165.3
Ophthalmology	44	0.80	129.28
Orthopedic	1380	1.34	1849.2
Otolaryngology	208	1.20	249.6
Pain Management	7	0.47	3.29
Plastic	184	1.63	299.92
Podiatry	39	1.40	54.6
Urology	384	1.51	579.84
Gastro-Intestinal	1926	.67	1290.42
TOTAL	**5,257**	**1.094**	**5,561.2**

i) Staffing

1) DMG Surgical Center is currently operating with sufficient staffing levels as required by applicable licensure. DMG Surgical will continue to offer the staffing levels as necessary to provide patients with safe and effective care.

2) Each ASTC service is currently being performed by a physician who is board certified or board eligible by the appropriate professional standards organization or entity that credentials or certifies the health care worker for competency in that category of service.

j) Charge Commitment

1) A statement of all charges is attached as Exhibit 6.

2) Please see Exhibit 7, attached herein which includes a commitment that the charges will not be increased for the first two years of operation.

k) Assurances

1) See Exhibit 8 for a signed statement of Assurances.

2) See Exhibit 8 for a signed statement of Assurances.

DuPage Medical Group
ADMINISTRATIVE OFFICE
1100 W. 31st Street, Suite 300, Downers Grove, IL 60515 • p 630 469 9200

June 21, 2016

Kathryn J. Olson
Illinois Health Facilities and Service Review Board
525 West Jefferson Street, 2nd Floor
Springfield, Illinois 62761

Dear Chair Olson,

In keeping with 77 Ill. Adm. Code § 1110.230(a) (Background of the Applicant – Information Requirements) please find this letter of certification and authorization.

Specifically, this letter certifies that none of the health care facilities owned or operated by DuPage Medical Group, Ltd., to wit DMG Surgical Center, LLC, DMG Pain Management Surgery Center, LLC, Plainfield Surgery Center, LLC, and Naperville Surgery Centre LLC, have had any adverse actions taken against them in the three years (3) prior to the filing of this application.

Furthermore, DuPage Medical Group, Ltd. authorizes, on behalf of the DMG Surgical Center, LLC, DMG Pain Management Surgery Center, LLC, Plainfield Surgery Center, LLC, and Naperville Surgery Centre LLC, the Health Facilities and Services Review Board and the Illinois Department of Public Health to access any documents necessary to verify the information submitted, including, but not limited to: official records of the IDPH or other State agencies; the licensing or certification records of other states, when applicable; and the records of nationally recognized accreditation organizations.

Sincerely,

Dennis Fine, COO
DuPage Medical Group

Notarization:
Subscribed and sworn to before me this 21st day of June, 2016.

TARGET POPULATION

On the following page is a map of the anticipated service area/geographic services area (GSA). The 2003 population residing within the designated area will be approximately 1,360,000 people. This population projection is the result of an extrapolation of 2000 census information and 2006 ZIP Code-specific population projections, as prepared by ERSI BIS, a national marketing firm.

The approximate driving times to the parameter of the GSA, during non-rush hour periods are:

to the north: 30 minutes

to the south: 35 minutes

to the east: 30 minutes

to the west: 30 minutes.

Dear Chair Olson,

I hereby certify and attest to the understanding and commitment that facility charges at the ASTC will not be increased for at least the first two years of the facility's operation, unless a permit is first obtained pursuant to 77 Ill. Administrative Code 1130.310(a).

Sincerely,

Dennis Fine, COO
DuPage Medical Group

Dear Chair Olson,

In keeping with 77 Ill. Adm. Code § 1110.1540(k) please find this letter of assurances.

Specifically, this letter certifies that DMG attests that a peer review program exists that evaluates whether patient outcomes are consistent with quality standards established by professional organizations for the ASTC services, and if outcomes do not meet or exceed those standards, that a quality improvement plan will be initiated.

Furthermore, DMG attests that by second year of operation after the project completion date, the annual utilization of the surgical/treatment rooms will meet or exceed the utilization standard specified in 77 Ill. Adm. Code 1100, as demonstrated herein.

Sincerely,

Dennis Fine, COO
DuPage Medical Group

ATTACHMENT-36

SECTION VIII – AVAILABILITY OF FUNDS

Availability of Funds

See Attachment 36-Exhibit 1 for documentation from lender indicating an interest in providing financing for the proposed expansion and modernization project. See Attachment 36 – Exhibit 2 for the consolidated audited financial statements for the last three years for DMG, which document sufficient cash funds for the financing.

Bank of America

DuPage Medical Group
1100 W 31st St, Suite 300
Downers Grove, IL 60515

Attention: Dennis Fine

Dear Mr. Fine:

It is my understanding that DuPage Medical Group ("DuPage") plans to expand upon its existing ambulatory surgical center, The Surgical Center of DuPage Medical Group, located at 2725 South Technology Drive in Lombard, IL (the "Lombard ASC"). I further understand that DuPage will require loan(s) for certain capital expenditures and equipment purchases for an amount not to exceed $6,500,000. DuPage has been a good and valuable customer of Bank of America ("BofA") for several years. Based upon the positive business experience working with DuPage, BofA is interested in discussing the proposed financing opportunity with DuPage for its expansion project.

This letter is not intended to be and should not be construed as a commitment by BofA to lend money; nevertheless, it is intended to serve as a statement of interest to engage in further discussions between DuPage and BofA for the proposed financing opportunity and may form the basis for a discussion of various credit accommodations. Any commitments to make credit available to DuPage will be evidenced in a separate writing which, if and when issued, will supercede and replace this letter.

Please do not hesitate to contact me should you have any questions. I can be reached at robert.laporte@baml.com or (980) 387.1282.

Very truly yours,

BANK OF AMERICA, N.A.

Robert LaPorte

Report of Independent Auditors

The Board of Directors
DuPage Medical Group, Ltd. and Subsidiaries

We have audited the accompanying consolidated financial statements of DuPage Medical Group, Ltd. and subsidiaries, which comprise the consolidated balance sheets as of December 31, 2013 and 2012, and the related consolidated statements of operations, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Building a better working world

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of DuPage Medical Group, Ltd. and Subsidiaries at December 31, 2013 and 2012, and the consolidated results of their operations and their cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

Change in Accounting Principle

As discussed in Note 2 to the consolidated financial statements, the Group has adopted the authoritative guidance issued by the Financial Accounting Standards Board related to accounting for goodwill. Our opinion is not modified with respect to this matter.

1. Organization and Basis of Presentation

DuPage Medical Group, Ltd. (the Group) is a multi-specialty physician practice that provides a broad range of outpatient services. The main office is in Glen Ellyn, Illinois, with 60 satellite offices throughout the western suburbs of Chicago, predominantly DuPage County, Illinois. The Group was incorporated as a medical corporation in the State of Illinois in July 1968 and is a for-profit, taxable corporation. The Group has 405 physicians, of which 309 are shareholders, as of December 31, 2013.

Included in the Group's consolidated financial statements are all wholly owned and controlled subsidiaries. The Group's subsidiary corporations are DMG Real Estate, LLC (LLC); DMG Real Estate Holdings, LLC (REH); DMG Surgery Center, LLC (Surgery Center); DMG Pain Management Surgery Center, LLC (Pain ASC); and Midwest Physician Administrative Services, LLC (MPAS).

LLC owns and operates medical office buildings in Cook, DuPage, Kane, and Will Counties.

The Surgery Center was formed in 2002 as a surgery center operation. Effective December 1, 2005, the Surgery Center amended and restated its operating agreement and sold a 12.5% ownership interest to a minority shareholder.

REH was formed in 2004 to acquire land and construct a surgery center facility.

Pain ASC was formed in 2009 as a pain management surgery center. Operations began in October 2011.

MPAS started operations in January 2012, for the purpose of providing management and support services to physician practices and other health care providers in support of the clinical integration and risk-sharing goals of hospitals and companies affiliated with the Group.

The Breakthrough Care Center, LLC (BCC) is a joint venture owned 50% by the Group and 50% by Humana, Inc. The joint venture was formed in 2012, and is accounted for using the equity method of accounting. See Note 9 for additional information.

Illinois Health Partners, LLC (IHP) is a joint venture owned 50% by the Group and 50% by Edward Health Ventures, and was formed in 2011. The joint venture is accounted for using the equity method of accounting. See Note 9 for additional information.

All significant intercompany balances have been eliminated in consolidation.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Although estimates are considered to be fairly stated at the time that the estimates are made, actual results could differ from those estimates.

Cash

Cash includes currency on hand and demand deposits with banks or other financial institutions.

Patient Accounts Receivable

Patient accounts receivable are stated at net realizable value. The Group maintains allowances for uncollectible accounts for estimated losses resulting from a payor's inability to make payments on accounts. The Group evaluates the collectibility of its accounts receivable based upon the length of time the receivable is outstanding and the anticipated future uncollectible amounts based on historical experience. Accounts are written off when collection efforts have been exhausted.

Inventories

Inventories, consisting primarily of pharmaceuticals, are valued at the lower of cost or market, with cost determined using the first-in, first-out method.

Property and Equipment

Property and equipment are stated at cost. Provisions for depreciation of property and equipment are computed using the straight-line method based upon the estimated useful lives of the related assets, ranging from 10 to 40 years for land improvements and buildings and 2 to 7 years for equipment. Equipment under capital lease obligations is amortized on the straight-line method over the shorter period of the lease term or the estimated useful life of the equipment. Such amortization is included in depreciation expense in the accompanying consolidated financial statements. Interest costs incurred on borrowed funds during the period of construction of capital assets are capitalized as a component of the cost of acquiring those assets.

2. Summary of Significant Accounting Policies (continued)

Goodwill

Effective January 1, 2013 goodwill is amortized over 10 years, and the Group performs a one-step impairment test only when an event or circumstance indicates that the fair value of the Group may be less than its carrying amount. There was no impairment change recorded for the years ended December 31, 2013 and 2012.

The following table presents the rollforward of goodwill for fiscal year 2013.

Goodwill, January 1, 2013	$ 3,606,430
Goodwill acquired	5,510,000
Amortization	(626,143)
Net goodwill, December 31, 2013	$ 8,490,287

Due to Third-Party Payor

Due to third-party payor represents the liability for funds received by Pain ASC and the Surgery Center that are to be paid back to Blue Cross/Blue Shield as of December 31, 2013 and 2012. Blue Cross/Blue Shield pays Pain ASC and the Surgery Center invoices at gross amounts and invoices the Surgery Center and Pain ASC for the difference between the gross charges and the contracted rate.

Noncontrolling Interest

The Group's noncontrolling interest in the consolidated statements of operations represents the noncontrolling shareholder's share of the Surgery Center's operations. The noncontrolling interest in the consolidated balance sheets reflects the original investment by a noncontrolling shareholder in the Surgery Center subsidiary, along with the noncontrolling interest's share of the Surgery Center's subsequent operations.

Asset Impairment

The Group considers whether indicators of impairment are present and performs the necessary tests to determine if the carrying value of an asset is appropriate. Impairment write-downs are recognized in operating expenses at the time the impairment is identified. There was no impairment of long-lived assets in 2013 and 2012.

2. Summary of Significant Accounting Policies (continued)

Payable to Physicians

Payable to physicians represents the amount of calculated compensation based upon the shareholder compensation formula that has not been paid as of the end of a given reporting period. These amounts are calculated and distributed to individual physicians on a monthly basis.

General and Professional Liability

The provision for self-insured general and professional liability claims includes estimates of the ultimate costs for both reported claims and claims incurred but not reported (IBNR). The estimated insurance receivable for professional liability claims represents the receivable for reported claims that are at or below the insurance coverage limits.

Net Patient Service Revenue

The Group has agreements with third-party payors that provide for payments to the Group at amounts different from its established rates. Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered. Those adjustments are accrued on an estimated basis and are adjusted in future periods. Net patient service revenue is recognized at the time services are rendered regardless of the patients' ability to pay.

IHP Revenue, Net

IHP revenue, net reflects the net amount earned by the Group after payment of medical claims, calculation of IBNR claims, and reinsurance proceeds are applied against the capitation revenue related to a defined patient population.

Meaningful Use Incentive Payments

Under certain provisions of the American Recovery and Reinvestment Act of 2009, federal incentive payments are available to hospitals, physicians, and certain other professionals when they adopt certified electronic health record (EHR) technology or become meaningful users of EHRs in ways that demonstrate improved quality, safety, and effectiveness of care. The Group accounts for these incentive payments under the gain contingency model defined in Accounting Standards Codification (ASC) 450, *Contingencies*. ASC 450 does not permit the recognition of

2. Summary of Significant Accounting Policies (continued)

gain contingencies until resolution of the uncertainty confirms that an asset has, in fact, been acquired (that is, a gain is recognized only when it is certain). Further, based on the guidance in ASC 450, it would not be appropriate to recognize incentive payments based on the probability of compliance or other factors affecting the calculation of the payment. For the years ended December 31, 2013 and 2012, the Group has recognized $3,050,000 and $4,040,000, respectively, of revenue related to the meaningful use incentive payments, which are reflected in other revenue in the consolidated statements of operations.

Community Services Provided

The Group provides care to patients who meet certain criteria without charge or at amounts less than established rates. Community services provided by the Group are excluded from net patient service revenue.

The forgone charges related to community services provided by the Group to the DuPage Community Clinic amounted to approximately $5,380,000 and $3,600,000 for the years ended December 31, 2013 and 2012, respectively.

Derivative Instruments

Derivative instruments, specifically interest rate swaps, are reported in the consolidated balance sheets at their respective fair values. The change in the fair value of those derivative instruments is reflected in net income attributed to the Group

Reclassifications

Certain amounts in the 2012 consolidated financial statements have been reclassified to conform to the 2013 presentation. These reclassifications had no impact on stockholders' equity or net income attributed to the Group.

New Accounting Pronouncements

In January 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-02, "*Intangibles- Goodwill and Other,*" which provides nonpublic entities with accounting alternatives which are intended to simplify the goodwill impairment model. Under the goodwill alternative, a nonpublic entity is able to amortize

2. Summary of Significant Accounting Policies (continued)

goodwill on a straight-line basis over a period of ten years or over a shorter period if the company demonstrates that another useful life is more appropriate. In addition, goodwill would be subject to impairment testing only upon the occurrence of a triggering event. The alternative is effective for annual periods beginning after December 15, 2014, with early application permitted, including application to any period for which the entity's annual or interim financial statements have not yet been made available for issuance. The Company adopted the accounting alternative effective January 1, 2013 and began amortizing goodwill over ten years.

3. Net Patient Service and IHP Revenue, Net

Net patient service revenue represent amounts received and the estimated net realizable amounts due from patients and third-party payors for services rendered. The Group provides certain medical care services to members of various HMOs. For these patients, the Group recognizes capitation revenue each month during the period in which the Group is obligated to provide medical care services, which is typically one year. Under the terms of these capitation agreements, the Group is obligated to provide specified medically necessary services to covered HMO members without regard to the underlying standard charges or actual costs of such services. These arrangements include the Group's assumption of financial responsibility for the appropriate and effective utilization of hospital and other health care resources. Effective January 1, 2012, IHP negotiates and manages these agreements with third-party payors; thus, all capitation revenue is recognized by IHP prior to distribution to the Group. The impact of this arrangement on the consolidated statements of operations results in IHP revenue of [redacted] and [redacted] for the years ended December 31, 2013 and 2012, respectively. Estimates for IBNR claims expenses, included in medical claims payable, have been provided for based upon the Group's historical claims experience. During 2013 and 2012, changes in estimates relating to prior years' medical claims payable liability increased net income attributed to the Group by approximately [redacted] and [redacted] respectively.

IHP was assigned the reinsurance agreements from the Group effective January 1, 2012. The reinsurance arrangements provide reinsurance coverage for patients in which IHP received capitation on the Group's behalf. The agreements provide protection to the Group for a percentage of losses that exceed a $15,000 deductible per member per year for the years ended December 31, 2013 and 2012.

Provisions have been made in the consolidated financial statements for contractual adjustments, representing the difference between the standard charges for services and estimated payments to be received from third-party payors. The Group's concentration of credit risk related to patient accounts receivable is limited due to the diversity of patients and payors.

3. Net Patient Service and IHP Revenue, Net (continued)

The allowance for uncollectible accounts increased from 2012 to 2013, primarily due to the increase in accounts receivables. The Group's allowance for uncollectible accounts covers a significant portion of the self-pay accounts receivable at December 31, 2013 and 2012.

Net patient service revenue, net of contractual allowances and discounts (but before the provision for uncollectible accounts), recognized in the period from these major payor sources is as follows for the years ended December 31:

	Third-Party Payors	Self-Pay Payors	Total All
2013 net patient service revenue (net of contractual allowances and discounts)	**$359,412,730**	**$ 7,450,429**	**$366,863,159**
2012 net patient service revenue (net of contractual allowances and discounts)	$317,670,421	$ 4,757,328	$322,427,749

The mix of net receivables from patients and third-party payors at December 31 consisted of the following:

	2013	2012
Medicare	**14%**	11%
Medicaid	**1**	1
Managed care	**26**	30
Blue Cross/Blue Shield	**25**	24
Private pay and other	**34**	34
	100%	100%

3. Net Patient Service and IHP Revenue, Net (continued)

The Group grants credit without collateral from its patients, most of whom are local residents and are insured under third-party payor agreements. The mix of net patient service revenue from patients and third-party payors at December 31 was as follows:

	2013	2012
Medicare	**25%**	23%
Medicaid	**1**	1
Managed care	**30**	35
Blue Cross/Blue Shield	**39**	38
Private pay and other	**5**	3
	100%	100%

Laws and regulations governing the Medicare and Medicaid programs are extremely complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount in the near term.

4. Property and Equipment

Property and equipment consist of the following at December 31:

	2013	2012
Land	**$ 13,140,482**	$ 13,140,482
Land improvements	**5,434,068**	5,434,067
Buildings	**93,220,259**	92,099,804
Equipment	**148,979,595**	123,113,904
	260,774,404	233,788,257
Accumulated depreciation	**(107,507,221)**	(91,694,568)
	153,267,183	142,093,689
Construction-in-process	**6,657,598**	4,411,024
	$ 159,924,781	$ 146,504,715

5. Long-Term Debt

Long-term debt consists of the following at December 31:

	2013	2012
Lombard mortgage payable to bank	**$ 7,887,165**	$ 8,377,559
Rickert mortgage payable to bank – purchase	**3,746,800**	3,944,000
Rickert mortgage payable to bank – construction	**2,735,141**	2,876,006
430 Pennsylvania mortgage payable to bank	**16,379,190**	17,198,149
Lisle Medical Office Building (MOB) mortgage payable to bank	**21,175,000**	22,000,000
Capital lease obligations	**5,535,472**	75,449
	57,458,768	54,471,163
Current maturities	**(4,123,421)**	(2,497,630)
	$ 53,335,347	$ 51,973,533

The carrying value of the debt approximates the fair value of the debt at December 31, 2013 and 2012. The valuations were performed using Level 2 inputs as defined in ASC 820 (Note 12). The valuations reflect general interest rates and market conditions.

Proceeds from the Lombard mortgage loan were used to finance the construction of the building at 1801 S. Highland Ave. in Lombard. The mortgage loan is collateralized with the building, which has a net book value of $16,900,000. The mortgage loan is due in monthly principal payments of $40,866 plus interest with a maturity date of October 2016. The original maturity date for this loan was October 2011. The mortgage loan was refinanced during 2011, and the new maturity date is October 2016. The interest rate is variable with an average rate of 1.46% for 2013 and 1.52% for 2012.

Proceeds from the Rickert mortgage loan were used to purchase the land at 808 Rickert in Naperville. The mortgage loan is collateralized with the property, which has a net book value of $9,600,000. The mortgage is due in monthly principal payments of $16,433 plus interest with a maturity date of July 2017. The interest rate is variable with an average rate of 1.33% for 2013 and 1.41% for 2012.

5. Long-Term Debt (continued)

Proceeds from the Rickert mortgage loan were used to finance the construction and build-out of the building at 808 Rickert in Naperville. The mortgage loan is collateralized with the building, which has a net book value of $9,600,000. The mortgage loan is due in monthly principal payments of $11,739 plus interest with a maturity date of May 2018. The interest rate is variable with an average rate of 1.40% for 2013 and 1.41% for 2012.

Proceeds from the 430 Pennsylvania mortgage loan were used to finance the construction of the building at 430 Pennsylvania Avenue in Glen Ellyn. The mortgage loan is collateralized with the building, which has a net book value of $24,500,000. The mortgage loan is due in monthly principal payments of $68,247 plus interest with a maturity date of June 2015. The interest rate is variable with an average rate of 1.71% for 2013 and 1.77% for 2012.

Proceeds from the Lisle MOB mortgage loan were used to finance the construction of the building at 430 Warrenville Road in Lisle. The construction loan outstanding at December 31, 2012, was converted into this mortgage loan in March 2013. The mortgage loan is collateralized with the building, which has a net book value of $22,000,000. The mortgage loan is due in monthly principal payments of $91,667 plus interest with a maturity date of April 2018. The interest rate is variable with an average rate of 1.49% for 2013.

At December 31, 2013 and 2012, the Group had a line of credit with a bank totaling $20,000,000. The Group may advance from the line of credit at a rate equal to 61.35% of the Group's eligible accounts receivable balances. There was no amount outstanding on the line of credit at December 31, 2013 and 2012. The line of credit's maturity is December 31, 2015.

Building a better working world

Report of Independent Auditors

The Board of Directors
DuPage Medical Group, Ltd. and Subsidiaries

We have audited the accompanying consolidated financial statements of DuPage Medical Group, Ltd. and subsidiaries, which comprise the consolidated balance sheets as of December 31, 2015 and 2014, and the related consolidated statements of operations and changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

A member firm of Ernst & Young Global Limited

Building a better working world

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of DuPage Medical Group, Ltd. and Subsidiaries at December 31, 2015 and 2014, and the consolidated results of their operations and their cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

DuPage Medical Group, Ltd. and Subsidiaries

Notes to Consolidated Financial Statements
(In Thousands)

December 31, 2015

1. Organization and Basis of Presentation

DuPage Medical Group, Ltd. (DMG, Ltd.) is a multi-specialty physician practice that provides a broad range of outpatient services. The main office is in Downers Grove, Illinois, with 66 satellite offices throughout the western suburbs of Chicago, predominantly DuPage County, Illinois. DMG, Ltd. was incorporated as a medical corporation in the state of Illinois in July 1968 and is a for-profit, taxable corporation. DMG, Ltd. has 479 physicians, of which 396 are shareholders, as of December 31, 2015.

Included in the consolidated financial statements are wholly owned and controlled subsidiaries of DMG, Ltd. (referred to as the Group) listed below:

- DMG Real Estate, LLC (LLC) – LLC owns and operates medical office buildings in Cook, DuPage, Kane, Kendall, and Will Counties.

- DMG Real Estate Holdings, LLC (REH) – REH was formed in 2004 to acquire land and construct a surgery center facility.

- DMG Surgical Center, LLC (Surgery Center) – The Surgery Center was formed in 2002 as a surgery center operation. Effective December 1, 2005, the Surgery Center amended and restated its operating agreement and sold a 12.5% ownership interest to a minority shareholder.

- DMG Pain Management Surgery Center, LLC (Pain ASC) – Pain ASC was formed in 2009 as a pain management surgery center. Operations began in October 2011.

- Midwest Physician Administrative Services, LLC (MPAS) – MPAS started operations in January 2012 for the purpose of providing management and support services to physician practices and other health care providers in support of the clinical integration and risk-sharing goals of hospitals and companies affiliated with the Group.

- National Physician Administrative Services, LLC (NPAS) – NPAS started operations in August 2015 for the purpose of providing management and support services to physician practices and other health care providers in support of the clinical integration and risk-sharing goals of hospitals and companies affiliated with the Group.

1. Organization and Basis of Presentation (continued)

In conjunction with the recent transaction (See Note 3) the following entities were formed:

- DMG Practice Management Solutions, LLC – issues class P interests held by DMG Ltd. and Subco and also serves as the Corporate Board for the various entities.
- DMG Newco, LLC – holds 90% of Class P units.
- DMG Illinois Investments I, LLC – serves as pass-through partnerships for various investments.
- DMG Illinois Investments II, LLC – serves as pass-through partnerships for various investments.
- DMG Health Partners, Inc. – holds Class A units, which bear a coupon of 15% and 1% of class P units, 100% owned by DMG Ltd.

The Group owns a less-than-majority ownership or controlling interest in the following:

- A 50% interest in The Breakthrough Care Center, LLC (BCC), a joint venture formed in 2012 with Humana, Inc.
- A 50% interest in Illinois Health Partners, LLC (IHP), a joint venture formed in 2011 with Edward-Elmhurst Healthcare
- A 48% interest in Plainfield Surgery Center, LLC (Plainfield)

The Group accounts for all of these interests using the equity method of accounting.

All significant intercompany balances have been eliminated in consolidation.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Although estimates are considered to be fairly stated at the time that the estimates are made, actual results could differ from those estimates.

Cash

Cash includes currency on hand and demand deposits with banks or other financial institutions.

Patient Accounts Receivable

Patient accounts receivable are stated at net realizable value. The Group maintains allowances for uncollectible accounts for estimated losses resulting from a payor's inability to make payments on accounts. The Group evaluates the collectability of its accounts receivable based upon the length of time the receivable is outstanding and the anticipated future uncollectible amounts based on historical experience. Accounts are written off when collection efforts have been exhausted.

Inventories

Inventories, consisting primarily of pharmaceuticals, are valued at the lower of cost or market, with cost determined using the first-in, first-out method.

Property and Equipment

Property and equipment are stated at cost. Provisions for depreciation of property and equipment are computed using the straight-line method based upon the estimated useful lives of the related assets, ranging from 10 to 40 years for land improvements and buildings and 2 to 7 years for equipment. Equipment under capital lease obligations is amortized on the straight-line method over the shorter period of the lease term or the estimated useful life of the equipment. Such amortization is included in depreciation expense in the accompanying consolidated financial

2. Summary of Significant Accounting Policies (continued)

statements. Interest costs incurred on borrowed funds during the period of construction of capital assets are capitalized as a component of the cost of acquiring those assets.

Goodwill

Effective January 1, 2013, goodwill is amortized over ten years, and the Group performs a one-step impairment test only when an event or circumstance indicates that the fair value of the Group may be less than its carrying amount. There was no impairment charge recorded for the years ended December 31, 2015 and 2014.

The following table presents the rollforward of goodwill for fiscal year 2015.

Goodwill, January 1, 2014	$	8,490
Goodwill acquired		–
Amortization		(911)
Net goodwill, December 31, 2014		7,579
Goodwill acquired		**6,751**
Amortization		**(1,124)**
Net goodwill, December 31, 2015	**$**	**13,206**

Due to Third-Party Payor

Due to third-party payor represents the liability for funds received by Pain ASC and the Surgery Center that are to be paid back to Blue Cross/Blue Shield as of December 31, 2015 and 2014. Blue Cross/Blue Shield pays Pain ASC and the Surgery Center invoices at gross amounts and invoices the Surgery Center and Pain ASC for the difference between the gross charges and the contracted rate in arrears.

Non-Controlling Interests

The Group recognizes non-controlling interests as equity in the consolidated financial statements separate from the DMG, Ltd. equity. The amount of net income attributable to non-controlling interests is included in consolidated net loss/income in the consolidated statements of operations. Changes in a parent entity's ownership interest in a subsidiary that do not result in

2. Summary of Significant Accounting Policies (continued)

deconsolidation are treated as equity transactions if the parent entity retains its controlling financial interest. The consolidated carrying values of the subsidiary's assets and liabilities are not adjusted.

When the purchase price of a non-controlling interest by or from the Group exceeds the book value at the time of purchase, any excess or shortfall is recognized as an adjustment to additional paid-in capital. Additionally, operating losses are allocated to non-controlling interests even when such allocation creates a deficit balance for the non-controlling interest partner.

Non-controlling interests relate to the third-party ownership in a consolidated entity in which the Group has a controlling interest. For financial reporting purposes, the entity's assets, liabilities, and operations are consolidated with those of the Group, and the non-controlling interest in the entity is included in the Group's consolidated financial statements within the equity section of the consolidated balance sheets. See also Note 3.

Asset Impairment

The Group considers whether indicators of impairment are present and performs the necessary tests to determine if the carrying value of an asset is appropriate. Impairment write-downs are recognized in operating expenses at the time the impairment is identified. There was no impairment of long-lived assets in 2015 and 2014.

Debt Issuance Costs

Debt issuance costs are deferred and amortized over the term of the debt agreement using the effective interest method. Unamortized costs are included in the consolidated balance sheets as a direct deduction from the carrying amount of the related debt liability.

Payable to Physicians

Payable to physicians represents the amount of calculated compensation based upon the shareholder compensation formula that has not been paid as of the end of a given reporting period. These amounts are calculated and distributed to individual physicians on a monthly basis.

2. Summary of Significant Accounting Policies (continued)

General and Professional Liability

The provision for self-insured general and professional liability claims includes estimates of the ultimate costs for both reported claims and claims incurred but not reported (IBNR). The estimated insurance receivable for professional liability claims represents the receivable for reported claims that are at or below the insurance coverage limits.

Net Patient Service Revenue

The Group has agreements with third-party payors that provide for payments to the Group at amounts different from its established rates. Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered. Those adjustments are accrued on an estimated basis and are adjusted in future periods. Net patient service revenue is recognized at the time services are rendered regardless of the patients' ability to pay.

IHP Revenue

IHP revenue reflects the net amount earned by the Group for services provided to IHP covered patients. IHP revenue also reflects a distribution of the net income of IHP attributable to the Group after payment of medical claims, calculation of IBNR claims, and reinsurance proceeds are applied against the capitation revenue related to a defined patient population.

Breakthrough Care Center Revenue

Breakthrough Care Center revenue represents the amounts earned by the Group for providing administration, physician, and staffing services to the BCC.

Meaningful Use Incentive Payments

Under certain provisions of the American Recovery and Reinvestment Act of 2009, federal incentive payments are available to hospitals, physicians, and certain other professionals when they adopt certified electronic health record (EHR) technology or become meaningful users of EHRs in ways that demonstrate improved quality, safety, and effectiveness of care. The Group accounts for these incentive payments under the gain contingency model defined in Accounting

2. Summary of Significant Accounting Policies (continued)

Standards Codification (ASC) 450, *Contingencies*. ASC 450 does not permit the recognition of gain contingencies until resolution of the uncertainty confirms that an asset has, in fact, been acquired (that is, a gain is recognized only when it is certain). Further, based on the guidance in ASC 450, it would not be appropriate to recognize incentive payments based on the probability of compliance or other factors affecting the calculation of the payment. For the years ended December 31, 2015 and 2014, the Group has recognized $1,716 and $3,018, respectively, of revenue related to the meaningful-use incentive payments, which are reflected in other revenue in the consolidated statements of operations.

Derivative Instruments

Derivative instruments, specifically interest rate swaps, are reported in the consolidated balance sheets at their respective fair values. The change in the fair value of those derivative instruments is reflected in net income attributed to the Group.

New Accounting Pronouncements

In April 2015, the FASB issued guidance related to simplifying the presentation of debt issuance costs. The guidance requires that the carrying amount of the debt liability be presented net of debt issuance costs, consistent with the presentation of debt discounts. The recognition and measurement guidance for debt issuance costs are not affected by the update. The Group early adopted this guidance as of and for the year ended December 31, 2015. The amount of the deferred issuance cost recorded as an offset to the related debt amounted to $3,438 as of December 31, 2015. There was no such deferred issuance costs in 2014 that required reclassification in the 2014 balance sheet as a result of early adoption of this guidance in 2015.

In February 2016, the Financial Accounting Standards Board (FASB) issued guidance related to lease accounting. The guidance will require leases that are currently classified as operating leases under current guidance to be recognized on the balance sheet as lease assets and liabilities by lessees. This new guidance is effective for fiscal years and interim periods within those fiscal years beginning after December 15, 2018. The Group is evaluating the effect this guidance will have on its consolidated financial statements.

EY | Assurance | Tax | Transactions | Advisory

About EY
EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

ATTACHMENT-38

SECTION IX – FINANCIAL VIABILITY

Criterion 1120.130 – Financial Viability

Please find in the tables below viability ratios for DuPage Medical Group, Ltd. The ratios contained therein are calculated in accordance with the requirements of Section 1120, Appendix A and are based on the information contained in DuPage Medical Group, Ltd.'s consolidated financial statements for the years 2013-2015.

Standards

The applicant or co-applicant that is responsible for funding the project must provide viability ratios. The standards for these ratios are contained in Section 1120. APPENDIX A. This appendix lists the standards for the various viability ratios based on type of provider.

This project involves expansion of an existing Ambulatory Surgical Center, as such the applicable standards indicated in Appendix A have been applied.

Meeting the Standards

To judge whether or not those standards have been met, the applicants used the viability ratios for DuPage Medical Group, Ltd., who shall be providing all of the funding for the proposed project.

Financial Viability Ratios

Viability Ratio Calculations: Current Ratio
Current Assets/Current Liabilities

Organization	Standard	2013	2014	2015	1st year of operations	Met Standard?
DuPage Medical Group, Ltd.	≥1.5	3.08	3.11	3.41	3.15	Yes

As this table demonstrates DuPage Medical Group, Ltd. is able to meet the standard for Current Ratio.

Viability Ratio Calculations: Net Margin Percentage
(Net Income/Net Operating Revenues) X 100

Organization	Standard	2013	2014	2015	1st year of operations	Met Standard?
DuPage Medical Group, Ltd.	≥3.5%	2.4%	2.5%	-19.6%	2.5	No

Although DMG does not meets this particular standard, it should be noted that DMG's business model requires it to apportion excess cash to physician shareholders after necessary expenses have been paid. Further, the 2015 figure is attributed to a one-time bonus payment. DMG is a going concern that has never defaulted on any loans and has always met its financial obligations as they become due.

Viability Ratio Calculations: Percent Debt to Total Capitalization
(Long-Term Debt/Long-Term Debt plus Net Assets) X 100

Organization	Standard	2013	2014	2015	1st year of operations	Met Standard?
DuPage Medical Group, Ltd.	≤80%	16%	15%	29%	16	Yes

As this table demonstrates DuPage Medical Group, Ltd. is able to meet the standard for Percent Debt to Total Capitalization.

Viability Ratio Calculations: Projected Debt Service Coverage
Net Income plus (Depreciation plus Interest plus Amortization)/Principal Payments plus Interest Expense for the Year of Maximum Debt Service after Project Completion

Organization	Standard	2013	2014	2015	1st year of operations	Met Standard?
DuPage Medical Group, Ltd.	≥1.75	5.03	5.67	-40.82	5.75	No

Although DMG does not meets this particular standard in 2015, it should be noted that DMG easily met this standard in 2013 and 2014. The 2015 figure is attributed to a one-time bonus payment. DMG is a going concern that has never defaulted on any loans and has always met its financial obligations as they become due.

Viability Ratio Calculations: Days Cash on Hand
(Cash plus Investments plus Board Designated Funds)/(Operating Expense less Depreciation Expense)/365 days

Organization	Standard	2013	2014	2015	1st year of operations	Met Standard?
DuPage Medical Group, Ltd.	≥45 days	15	11	44	45	No

Although DMG does not meets this particular standard, it should be noted that DMG's business model requires it to apportion excess cash to physician shareholders after necessary expenses have been paid. Further, the standard was substantially met in the most recent year, falling one day short of the 45-day standard. DMG is a going concern that has never defaulted on any loans and has always met its financial obligations as they become due.

Viability Ratio Calculations: Cushion Ratio
(Cash plus Investments plus Board Designated Funds)/(Principal Payments plus Interest Expense) for the year of maximum debt service after project completion.

Organization	Standard	2013	2014	2015	1st year of operations	Met Standard?
DuPage Medical Group, Ltd.	≥3.0	3.04	2.40	27.60	3.0	Yes

As this table demonstrates DuPage Medical Group, Ltd. is able to meet the standard for Cushion Ratio.

SECTION X – ECONOMIC FEASIBILITY

Criterion 1110.140 – Economic Feasibility

A. Reasonableness of Financing Arrangements:

See Attachment 42-Exhibit 1 for a signed, notarized statement from a representative of DMG that (1) borrowing is less costly than the liquidation of existing investments and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period and (2) that the selected form of debt financing for the project will be at the lowest net cost available.

B. Conditions of Debt Financing

See Attachment 42-Exhibit 1 for a signed, notarized statement from a representative of DMG that (1) borrowing is less costly than the liquidation of existing investments and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period and (2) that the selected form of debt financing for the project will be at the lowest net cost available.

C. Reasonableness of Project and Related Costs

Although the costs are above the State Standards in accordance with RSMeans Construction Costs Indexes[1], (the current cost per square foot standard is estimated to be $334.23 for new construction and $233.16 for modernization) the project at hand requires many major design complexities which increase the costs consistent with projects of similar complexity. The applicants have designed the expansion to be constructed with all of the appropriate fittings to meet the needs of the ever developing technological advances of the medical industry. During the project the facility will remain open and operational. The space to be expanded will be integrated with the existing structure, requiring the design and construction to be aligned with the current structure, increasing costs. Additional complexities that will also increase costs include the removal of an existing outside wall from the facility, installing a new HVAC unit, and maintaining the structural stability of the building at all times. As such, necessary steps are being taken to ensure patient safety throughout the expansion process, increasing project costs beyond the state standards. There are no records of recent expansion projects of existing ASTCs from which to draw a comparison of similar construction complexities.

[1] New Construction (207.2/180.4) x 291= $334.23 — Modernization (207.2/180.4) x 203= $233.16
http://rsmeansonline.com/References/CCI/3-Historical%20Cost%20Indexes/1-Historical%20Cost%20Indexes.PDF

Table 1:

Department	A	B	C	D	E	F	G	H	TOTAL COST
	Cost/ Sq. Ft.*		Gross Sq. Ft.		Gross Sq. Ft.		Const. $	Mod. $	(G + H)
	New	Mod.	New	Circ.	Mod.	Circ.	(A x C)	(B x E)	
Clinical	$388.63	$388.63	5,720		2,153		$2,222,948.02	$836,714.53	$3,059,662.55
Contingency-Clinical	$19.43	$19.43					$111,147.40	$41,835.73	$152,983.13
Clinical Sub-total	$408.06	$408.06	5,720		2,153		$2,445,242.83	$920,385.98	$3,365,628.80
Non-Clinical	$388.63	$388.63	2,780		602		$1,080,383.83	$233,953.62	$1,314,337.45
Contingency-Non-Clinical	$19.43	$19.43					$54,019.19	$11,697.68	$65,716.87
Non-Clinical Sub-total	$408.06	$408.06	2,780		602		$1,188,422.21	$257,348.98	$1,445,771.20
Total	$388.63	$388.63	8,500		2,755		$3,468,498.45	$1,124,201.55	$4,592,700.00

* Exact Price per square foot: $388.627276765881 & $19.43136384

D. Projected Operating Costs

OPERATING COSTS	
ASTC	$ 359,947

TOTAL	$ 359,947

Total Patient Treatments = 5,257 (Based on additional projected referrals)
Operating Cost/Visit = $68.47 per visit

E. Total Effect of the Project on Capital Costs for Year One

CAPITAL COSTS	
Equipment & Improvements to Building	$ 197,242

TOTAL	$197,242

Total Patient Treatments = 5,257 (Based on additional projected referrals)
Capital Cost/Visit = $37.52

DuPage Medical Group
ADMINISTRATIVE OFFICE
1100 W. 31st Street, Suite 300, Downers Grove, IL 60515 • p 630 469 9200

June 21, 2016

Kathryn J. Olson
Illinois Health Facilities and Service Review Board
525 West Jefferson Street, 2nd Floor
Springfield, Illinois 62761

Dear Chair Olson,

I hereby attest that, for the DMG Surgical Center, LLC expansion project, borrowing is less costly than the liquidation of existing investments and that the existing investments being retained may be converted to cash or used to retire debt within a 60-day period.

Furthermore, I certify that, as this project will require debt financing, the selected form of debt financing will be at the lowest net cost available.

Sincerely,

Dennis Fine, COO
DuPage Medical Group

June 3, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Gastroenterology. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 935 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 281 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Rameez Alasadi

DuPage Medical Group
ADMINISTRATIVE OFFICE

1100 West 31st Street, Suite 300, Downers Grove, IL 60515 • p 630 469 9200

June 3, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Gastroenterology. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 470 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 141 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Adam D. Klugman, M.D.

Subscribed and Sworn to before me this 6th day of June 2016

ADMINISTRATIVE OFFICE

1100 West 31st Street, Suite 300, Downers Grove, IL 60515 • p 630 469 9200

June 3, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Gastroenterology. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 923 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 277 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Harold Mozwecz, M.D.

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Gastroenterology. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 149 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 45 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Rafi M. Ali, M.D.

June 3, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Otolaryngology. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 105 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 32 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Bryan J. Kemker, M.D.

June 2, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Orthopedics. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 268 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 80 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Marc Asselmeier, M.D.

Dear Ms. Olson,

I am a physician specializing in Orthopedics. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 33 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 10 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

X

June 2, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Orthopedics. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 173 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 52 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Brian Murphy, M.D.

ADMINISTRATIVE OFFICE

1100 West 31st Street, Suite 300, Downers Grove, IL 60515 • p 630 469 9200

June 2, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Orthopedics. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 45 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 14 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Dalip Pelinkovic, M.D.

June 2, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Orthopedics. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 97 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 29 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Troy R. Karlsson, M.D.

Subscribed and Sworn to before me this 6th day of June 2016

June 2, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Orthopedics. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 26 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 8 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Andrew Kim, M.D.

Subscribed and Sworn to before me this 6th day of June 2016

June 3, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Plastic Surgery. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 366 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 110 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Joseph L. Daw, M.D.

June 3, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in Plastic Surgery. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 248 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 74 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Steven R. Sigalove, M.D

Dear Ms. Olson,

I am a physician specializing in Urology. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 123 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 37 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Robert Seo, M.D.

June 3, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in General Surgery. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 205 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 62 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Michael Martirano, M.D.

Subscribed and Sworn to before me this 6th day of June 2016

ADMINISTRATIVE OFFICE
1100 West 31st Street, Suite 300, Downers Grove, IL 60515 · 630 469 9200

June 3, 2016

Ms. Kathryn J. Olson, Chair
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

I am a physician specializing in General Surgery. I support the proposal to expand the ambulatory surgical treatment center (ASTC) located at 2725 S. Technology Dr. Lombard, IL 60148, known as the Surgical Center of DuPage Medical Group.

Over the past 12 months, I have referred 164 patients to an IDPH-licensed facility where the patient received treatment. The attached tables list the zip codes of residence for these patients and the facilities to which I referred patients.

I anticipate that I will refer an additional 49 of patients to the Surgical Center of DuPage Medical Group in each of the two years following completion of the ASTC expansion.

These referral counts have not been used to support another pending or approved permit application for any other licensed hospital or ASTC for the subject services.

Sincerely,

Paul Signorino, M.D.
