HEALTH FACILITIES &  
SERVICES REVIEW BOARD

Dear Mr. Constantino.

My name is Evelyn Knoob. Mr. Ron Osman was my attorney for the case

United States of America, ex re. Evelyn Knoob v. Health Care Services Corporation  
United States District Court, Southern District of Illinois  
Case no 95-4071 JLF

Mr. Osman, is the most honest, honorable, and the most hard working man I have ever met.

He started this case and the government joined in. By the time the government joined my lawsuit, Mr. Osman knew the Medicare carriers' manual and rules better than any person I knew. These people were employees of the Medicare carrier for ten years or more.

Every time he found out more information the case went deeper. He worked on this 7 days a week for years.

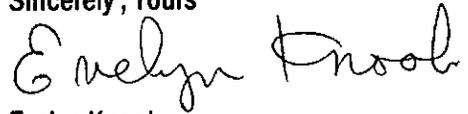

He was appalled by the facts he uncovered and was determined to the cheating going on by Health Care Services Corporation against the Medicare program.

For someone to say the things said about him in reference to  
Change of Ownership Exemption Application

**Mr. . Osman has been of service to his country , state, county, and city.**

**Sincerely , Yours**
