Re: Exemption Approval
EXEMPTION NUMBER: 002-13
FACILITY NAME: Lake Forest Endoscopy Center
APPLICANTS: Lake Forest Endoscopy Center, LLC, Northwestern Memorial Healthcare, Northwestern Lake Forest Hospital

Dear Ms. Orth:

On March 26, 2013, the Illinois Health Facilities and Services Review Board approved the exemption application for the referenced project based upon the project's substantial conformance with the applicable standards and criteria of 77 Ill Adm. Code 1130. In arriving at a decision, the State Board considered the findings contained in the State Board Staff Report, the exemption application material, public hearing testimony and documents, any testimony made before the State Board, and the Illinois Health Facilities Planning Act (20 ILCS 3960).

The operating entity licensee and the owner of the site is Northwestern Lake Forest Hospital. The exemption change of ownership involves a purchase resulting in the issuance of a license to an entity different from the current licensee. The acquisition price/fair market value is \$5,505,000.

You are reminded that this exemption is only valid for 12 months from the date of approval and is not transferable or assignable. This exemption must be completed within the 12-month period. To demonstrate completion of this transaction, the exemption holder must provide the State Agency with the date that the ownership change occurred and also provide a copy of the license or certification issued pursuant to the change of ownership. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act. The exemption holder is also reminded that 77 IAC 1130.140 defines transactions that constitute a change of ownership of a health care facility. You should become familiar with those definitions.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to acquisition. The exemption will be invalid should the facility for which the change of ownership was granted cease to be an existing health care facility as defined in 77 IAC 1130.140.
