Dear Chairman Galassie:

My name is Henderson Yarbrough, Sr., Mayor for the Village of Maywood and I am writing this letter in support of Trinity Health's application to acquire the Loyola University Health System.

Loyola University Health System has been a remarkable institution for the residents of this village. The Trinity Health collaboration would be a great asset not only to our community but to the Proviso Township, Chicago and the Chicagoland areas. This opportunity would allot for an increase of Loyola University Health System's financial health care reform, staffing demands as well as provide room for new innovative models in health care.

I wholeheartedly support Trinity Health and Loyola University Health System in their future partnership. As Chairman, I ask that you support this alliance in an effort to improve healthcare for residents of this community, the great City of Chicago and the wonderful State of Illinois.

Respectfully,
Henderson Yarbrough Sr.
