**Re: Exemption Approval**  
**APPLICANTS: AmSurg Holdings, Inc., AmSurg Corp, and Oak Lawn Endoscopy, LLC**  
**EXEMPTION NUMBER: 004-13**  
**FACILITY NAME: Oak Lawn Endoscopy, LLC**

Dear Mr. McCullough:

On May 14, 2013, the Illinois Health Facilities and Services Review Board approved the exemption application for the referenced project based upon the project's substantial conformance with the applicable standards and criteria of 77 Ill Adm. Code 1130. In arriving at a decision, the State Board considered the findings contained in the State Board Staff Report, the exemption application material, public hearing testimony and documents, any testimony made before the State Board, and the Illinois Health Facilities Planning Act (20 ILCS 3960).

The operating entity licensee is Oak Lawn IL Endoscopy ASC, LLC, 9921 Southwest Highway, Oak Lawn, Illinois and the owner of the site is 9905-21 Venture, L.L.C. The exemption change of ownership involves the purchase of 51% of the assets of Oak Lawn Endoscopy, LLC. The purchase price is \$6,605,000.

You are reminded that this exemption is only valid for 12 months from the date of approval and is not transferable or assignable. This exemption must be completed within the 12-month period. To demonstrate completion of this transaction, the exemption holder must provide the State Agency with the date that the ownership change occurred and also provide a copy of the license or certification issued pursuant to the change of ownership. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act. The exemption holder is also reminded that 77 IAC 1130.140 defines transactions that constitute a change of ownership of a health care facility. It is recommended that the facility administrator become familiar with exemption definitions.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to acquisition. Should the facility for which the change of ownership was granted cease to be an existing health care facility as defined in 77 IAC 1130.140, the exemption will be deemed invalid.

Please note that this permit does not exempt the project or permit holder from licensing and certification requirements, including approval of applicable architectural plans and specifications prior to construction.

Should you have any questions regarding the permit requirements, please contact Mike Constantino at 217-782-3516.

Sincerely,
