RE: Exemption #: E-005-011 – Gottlieb Memorial Hospital d/b/a Loyola University Health System at Gottlieb Memorial Hospital
Applicants: Loyola University Health System, Trinity Health System

Dear Mr. Green:

On May 10, 2011, the Illinois Health Facilities and Services Review Board (State Board) approved your request for an exemption for the change of ownership for Gottlieb Memorial Hospital d/b/a Loyola University Health System at Gottlieb Memorial Hospital, 701 West North Avenue, Melrose Park, Illinois. The approval was based upon the application's compliance with applicable provisions of 77 Ill. Adm. Code 1130.500 and 1130.520. The change of ownership transaction will result in Trinity Health Corporation becoming the sole member of Loyola University Health System. Trinity Health Corporation will assume control of Gottlieb Memorial Hospital d/b/a Loyola University Health System at Gottlieb Memorial Hospital's operations and capital assets. The licensee operating entity and the owner of the site is Gottlieb Memorial Hospital d/b/a Loyola University Health System at Gottlieb Memorial Hospital. The project completion date is June 30, 2011.

You are reminded that a final cost report must be submitted to the Agency no later than 60 days following the anticipated project completion date and failure to complete the project by the anticipated project completion date will invalidate the exemption. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable to this project. Please note the Illinois Department of Public Health will not license the proposed facility until such time as all of the exemption requirements have been completed.
