RE: Exemption #: E-008-011- Prairie Diagnostic Center, LLC
Applicants: St. John Hospital of the Hospital Sisters of the Third Order of St. Francis
Hospital Sisters Services, Inc.
Hospital Sisters Health System
Prairie Diagnostic Center, LLC

Dear Ms. Bulpitt:

On May 10, 2011, the Illinois Health Facilities and Services Review Board (State Board) approved your request for an exemption for the change of ownership for Prairie Diagnostic Center, LLC., 401 E. Carpenter Street, Springfield, Illinois. The approval was based upon the application's compliance with applicable provisions of 77 Ill. Adm. Code 1130.500 and 1130.520. The change of ownership transaction results in St. John Hospital of the Hospital Sisters of the Third Order of St. Francis purchasing a 75% interest in Prairie Diagnostic Center, LLC. At the conclusion of the transaction St. John Hospital of the Hospital Sisters of the Third Order of St. Francis will own 100% of Prairie Diagnostic Center, LLC. Prairie Diagnostic Center, LLC will be known as St. John Hospital of the Hospital Sisters of the Third Order d/b/a Prairie Diagnostic Center at St. John Hospital. St. John Hospital of the Hospital Sisters of the Third Order d/b/a Prairie Diagnostic Center at St. John Hospital will become the licensed entity and operating entity. The anticipated acquisition price is \$9,161,019. The project completion date is May 10, 2011.

You are reminded that a final cost report must be submitted to the Agency no later than 60 days following the anticipated project completion date and failure to complete the project by the anticipated project completion date will invalidate the exemption. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable to this project. Please note the Illinois Department of Public Health will not license the proposed facility until such time as all of the exemption requirements have been completed.
