On April 16, 2013 the Chairman of the Illinois Health Facilities and Services Review Board ("State Board") approved your exemption request for E-010-13. You are approved to add seven end stage renal dialysis stations at 516 West 5<sup>th</sup> Avenue, Naperville, Illinois for a total of 21 end stage renal dialysis stations at this location. The approved cost of the project is \$2,018,400 and the anticipated project completion date is April 30, 2015.
