Ms. Kathy Olson
Chairman
Illinois Health Facilities & Services Review Board
525 W. Jefferson Street, 2nd Floor
Springfield, IL 62761

Dear Ms. Olson,

My name is Mark Eckert and I am the Mayor of the City of Belleville. I am writing on behalf of the City of Belleville in support of the Physician's Surgical Center's request for a certificate of need due to a change in ownership in conjunction with Belleville Surgical Center. The Belleville City Council unanimously approved support of their request for this certificate of need on Monday, July 7, 2014.

We are aware that both facilities located at 311 West Lincoln and 28 N 64th Street in Belleville will remain open with no loss of jobs to service the needs of the public.

I respectfully ask the Board to consider the request from the Physician's Surgical Center for a certificate of need due to a change in ownership with Belleville Surgical Center.

Sincerely,

Mark W. Eckert
Mayor
