Re: E-017-15/Request For Public Hearing

Litchfield, IL
HSBS St. Francis Hospital

Dear Ms. Avery:

Springfield, IL
HSBS St. John's Hospital

As one of the applicants to discontinue HSBS St. Mary's Hospital in Streator, Illinois we would like to request a public hearing. Typically, as an applicant, we would not request a hearing on one of our own projects. However, we know that the discontinuation of St. Mary's Hospital, Streator is of interest to the community. We would like to avail ourselves of your public hearing process to allow the community to come and be heard, and also to address the transition of services that has been arranged with OSF Healthcare System.

Streator, IL
HSBS St. Mary's Hospital

As always, we appreciate your time and consideration.
