RE: Letter of Support for Mendota Community Hospital's Affiliation with OSF Healthcare System

Dear Ms. Avery:

I am writing to express my full support for the affiliation of Mendota Community Hospital with OSF Healthcare System. I believe the affiliation is in the best interest of Mendota and the surrounding community as it will enhance health care and other services provided to our community both through collaboration and access to greater resources; provider greater access to health care services in the community including access to specialists; and further promote the charitable mission of Mendota Community Hospital.

Because of the reasons stated above, I am submitting this letter of support for the proposed affiliation and encourage the Planning Board to approve the Certificate of Exemption for the change of ownership of Mendota Community Hospital.

Thank you in advance for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Frank Mautino".
