Change of Ownership Exemption E-032-15

Dear Ms. Avery:

The Review Board had approved our application referenced above for a change of ownership exemption relating to the Center for Minimally Invasive Surgery in Mokena. We are pleased to inform you that the COE transaction closed effective January 1, 2016. In fulfillment of the terms of the COE approval, this letter confirms that the material terms of the transaction did not change from those summarized in the application and approved by the Illinois Health Facilities and Services Review Board.

With the submission of this letter it is our understanding that we have fully closed out this Project and that nothing further is required from us at this time. Please contact me or our CON counsel, Joe Ourth, if anything further is required.

Sincerely,

Richard L. Sharff, Jr.
