

ILLINOIS POWER AGENCY
Anthony M. Star, Director

**Workshop Announcement:
Supplemental Photovoltaic Procurement Plan**

**August 7, 2014
10 am to 3 pm**

**160 N. LaSalle Street, 5th Floor
Chicago, IL**

On August 7, 2014 the Illinois Power Agency (“IPA”) will hold a public workshop pursuant to Section 1-56(i)(1) of the Illinois Power Agency Act.¹

The IPA will be developing a supplemental procurement plan to purchase solar renewable energy credits using up to \$30 million from the Renewable Energy Resources Fund. This workshop will provide an opportunity for the IPA to present an overview of Section 1-56(i), discuss key issues, and receive feedback from interested stakeholders.²

A full agenda will be released prior to the Workshop. The IPA expects the Workshop will have two sessions, one from 10am to noon, and one from 1pm to 3pm.

Please RSVP to Anthony Star at: Anthony.star@illinois.gov. Please note that a government-issued photo ID is required for entry into the building. A call-in number will be available upon request.

Section 1-56(i) Timeline:

August 7, 2014	Public workshop
September 29, 2014	IPA releases draft plan
October 14, 2014	Deadline for comments on draft plan
October 28 2014	IPA files revised draft plan with the Illinois Commerce Commission
January 26, 2015	Deadline for Illinois Commerce Commission approval of plan

¹ Section 1-56(i) of the Illinois Power Agency Act is a new subsection enacted pursuant to Public Act 98-0672 which has an effective date of June 30, 2014. Subsection 1-56(i)(1) reads in part, “In developing the supplemental procurement plan, the Agency shall hold at least one workshop open to the public within 90 days after the effective date of this amendatory Act of the 98th General Assembly and shall consider any comments made by stakeholders or the public.”

² Please note that the IPA held a workshop on June 12, 2014 regarding matters related to Distributed Generation and subsequently issued a Request for Comments. Materials from that workshop and the responses to the Request for Comments are available on the IPA website under “Energy Procurement/Plans Under Development.”
