

2006 Universities Providing Flu Shots

(10/19/2006)

The universities listed below have partnered with the Department of Healthcare and Family Services to provide flu shots at no charge to eligible State of Illinois employees and retirees. **Dependents, spouses, contractual workers and students are NOT eligible for this program.**

State of Illinois employees and retirees enrolled in either the Quality Care Health Plan (QCHP) or a State-sponsored managed care plan are eligible to receive the flu shot. Employees will be required to present verification of State employment and their health insurance card from a State-sponsored health plan. State retirees may also receive the flu shot by presenting their State-sponsored health insurance card and another form of identification. Interested individuals should call university for the exact dates, times and locations that the shots will be offered.
