

Mobile Assessment CENTER PROGRAM

Identifying Appropriate Job Titles | Employment Application Forms | Testing & Establishing Eligibility | Career Counseling

Our goal is to bring full State employment information services to you!

The Department of Central Management Services (CMS) operates five Assessment Centers throughout the state, each of which provides a full range of state employment guidance services.

Our new "Mobile Assessment Center" will now bring the same services to underserved locations.

Mobile Assessment Center staff are available to counsel and guide those seeking state employment.
