Supplementary Examination Announcement

INFORMATION SYSTEMS ANALYST III - 21167

Monthly Salary Range: \$6547 - \$10,163

Option W – Web Developer

General duties: An Information Systems Analyst III performs highly complex professional and advisory functions in the Information Technology area of Web Development; serves as a highly advanced specialist in engineering, planning, implementing, designing, and managing operations related to websites and web-enabled applications; serves as project leader providing advice and guidance to equivalent or lower level professionals for highly complex assignments; or, may serve as a staff assistant to a principal manager of an agency's Information Technology program; provides advice and guidance in highly complex program aspects that require extensive technical research and analysis but do not entail full line supervisory, managerial, or confidential labor relations responsibilities.

Minimum Training and Experience: Requires knowledge, skill and mental development equivalent to four years of college with course work in computer science or directly related fields, and five years of professional experience in a related Information Technology field. Specific position requirements vary by position and relate to the position's duties and responsibilities as defined by the agency of employment and as approved by the Director of the Department of Central Management Services or his/her designee.

Tests and weights: Training and experience evaluation (Supplemental Questionnaire) 100%. Candidates must meet minimum training and experience requirements; however the grade will be derived from the questionnaire.

Length of eligibility period: One year.

Counties in which positions are established: Cook

Counties listed include all counties in which positions have been established and do not represent immediate openings. This listing is based on information currently available and is subject to change.

YOU NEED NOT APPEAR AT A TEST CENTER FOR THIS EXAMINATION.

You may send a completed application (CMS 100) to the Department of Central Management Services, Bureau of Personnel, Room 500, Stratton Office Building, Springfield, IL 62706. The Supplemental Questionnaire will be mailed to you. ONLY one questionnaire need be completed if you are applying for Information Systems Analyst I, II, and III, Option W. The minimum requirements and scoring standards are different for each title and option, but the information required on the questionnaire is the same for all of these titles.
