

Joint Purchasing News

August 2007

There are over 170 State of Illinois commodity and equipment contract titles available to local governmental entities through [Joint Purchasing Program](#). When reviewing contracts posted on the [Illinois Procurement Bulletin](#), you need to verify the contract is Joint Purchasing-eligible. The Master Contract Identification page shows the **Joint Purchasing Indicator** which must indicate **Yes** for you to be able to waive your local procurement rules when making a purchase. Below is the Master Contract Identification page for the Paper, Xerographic and Bond contract:
