

Joint Purchasing News

July 2007

Thank you for your tremendous response to the surveys we sent last month regarding Biodiesel Fuel and Promotional Premiums. Your input is very valuable and we greatly appreciate your assistance.

At the beginning of another new fiscal year, we also want to thank you for your participation in the [Joint Purchasing Program](#). We look forward to providing local governmental entities with increased opportunities to save money in the months ahead. If you have ideas that will improve the delivery of commodity and equipment contract information please contact Dennis Smith, Joint Purchasing Coordinator.
