Refund Information:

- Ticket holders who have purchased tickets through Ticketmaster, may reach out to Ticketmaster directly to request a refund due to the cancellation. Their tickets will be voided upon refund approval, and Ticketmaster will issue the refund back to the credit/debit card that was utilized to originally purchase the concert tickets. Credits will not be automatically issued so that tickets will remain valid for those that are not requesting a refund and wish to attend the concert.
- Ticket holders who purchased their concert tickets through the Illinois State Fair Box Office may submit a form (located on ISF website or at Grandstand Box office), along with their unused tickets, to the address located at the bottom of the form. Refund forms may also be dropped off at the Grandstand.
- **PLEASE BE AWARE THAT ALL REFUND CHECKS WILL BE PROCESSED AS SOON AS POSSIBLE, AT THE CONCLUSION OF THE FAIR. REGARDLESS OF ORIGINAL FORM OF PAYMENT, NO CASH REFUNDS WILL BE ISSUED AT THE GRANDSTAND BOX OFFICE.**
